The Housemaid's Secret Freida McFadden, 2025-04-30 It's hard to find an employer who doesn't ask too many questions about my past. So I thank my lucky stars that the Garricks miraculously give me a job, cleaning their stunning penthouse with views across the city and preparing fancy meals in their shiny kitchen. I can work here for a while, stay quiet until I get what I want. It's almost perfect. But I still haven't met Mrs. Garrick, or seen inside the guest bedroom. I'm sure I hear her crying. I notice spots of blood around the neck of her white nightgowns when I'm doing laundry. And one day I can't help but knock on the door. When it gently swings open, what I see inside changes everything ... That's when I make a promise. After all, I've done this before. I can protect Mrs. Garrick while keeping my own secrets locked up safe. Douglas Garrick has done wrong. He is going to pay. It's simply a question of how far I'm willing to go ...--Provided by publisher.

**The More the Merrier** Judy Pollard Smith,2019-01-10 How is it that I can remember every word, every bit of musical phrasing, every nuance from every song from my early years (Mitch Ryder And The Detroit Wheels, Abba, The Band, Credence Clearwater's Revival's Bad Moon Rising, Judi Collins' rendition of Joni Mitchell's Both Sides Now) but had a bit of a time recalling the last four digits of our phone number when somebody asked me for it last night? So begins one of Judy Pollard Smith's journal entries, which she started to write to mark her seventieth birthday. As a fan of the memoirs, journals, and letters of famous people, she wanted to explore whether the journals of everyday people have value. How do others

perceive us when we look seventy on the outside but feel twenty-seven on the inside? She writes about light and weighty topics - from relaxing with a favorite book to considering the removal of reminders of Canada's colonial past. "How can the past be erased for all its faults?" she writes. "If the current vein continues, Canada will end up with a revisionist history, without truth." The More the Merrier offers a glimpse of the rich experiences of a seventy-year-old woman living life to the fullest.

Brilliance Rosalind Laker, 2012-08-01 After a shattering betrayal, a Frenchwoman finds a new role during the birth of the film industry, in a "truly interesting" historical novel (Booklist). When Lisette Decourt discovers her fiancé in the arms of her newly widowed stepmother, she flees her Paris home in shock and sorrow. Her wanderings bring her in contact with Daniel Shaw—a traveling "lanternist" who tells stories through a strange new art known as slide projection. Learning more about moving pictures, Lisette finds her passion for film growing—along with her passion for the Englishman Daniel. But their love will be tested as fate threatens to pull them away from each other, and as Lisette follows her path to becoming one of the first movie stars of the twentieth century. "The birth of the film industry is just as much a character in Laker's tale as Lisette, who overcomes personal tragedies to triumph in a truly interesting and wonderfully informative story." —Booklist
