Courting Celebrity ,2023-03-30 In 1826 Angela Veronese, a gardener's daughter, wrote and published the first modern autobiography by an Italian woman. Veronese's account focuses on her unique experience as a peasant girl who came of age among the Venetian elite, and details how she attained a certain renown in and out of Italy by improvising, writing, and publishing her own lyrics. *Courting Celebrity* is a bilingual annotated edition of Veronese's autobiography. To better elucidate Veronese's thinking, the book includes the autobiographical writing of another contemporary Italian poet, Teresa Bandettini, a well-known Tuscan poet-improviser. The book offers a substantial sample of Veronese's poems, translated and in the original. These compositions, together with detailed bibliographical documentation, point to the success of Veronese's autobiographical enterprise and offer an unparalleled view of both high society and popular culture at the time. *Courting Celebrity* illustrates women's practice in two key literary genres, poetry and autobiography, and illuminates the strategies of women's self-fashioning and pursuit of celebrity.

The Complete Poems Gaspara Stampa,2010-10-15 Gaspara Stampa (1523?-1554) is one of the finest female poets ever to write in Italian. Although she was lauded for her singing during her lifetime, her success and critical reputation as a poet

emerged only after her verse was republished in the early eighteenth century. Her poetry runs the gamut of human emotion, ranging from ecstasy over a consummated love affair to despair at its end. While these tormented works and their multiple male addressees have led to speculation that Stampa may have been one of Venice's famous courtesans, they can also be read as a rebuttal of typical assumptions about women's roles. Championed by Rainer Maria Rilke, among others, she has more recently been celebrated by feminist scholars for her distinctive and original voice and her challenge to convention. The first complete translation of Stampa into English, this volume collects all of her passionate and lyrical verse. It is also the first modern critical edition of her poems, and in restoring the original sequence of the 1554 text, it allows readers the opportunity to encounter Stampa as she intended. Jane Tylus renders Stampa's verse in precise and graceful English translations, allowing a new generation of students and scholars of poetry, Renaissance literature, and music history to rediscover this incipiently modern Italian poet.
