In any event, the impressive rise of "free of" against "free from" over the past 100 years suggests that the English-speaking world has become more receptive to using "free of" in place of "free from" during that period. **What is the opposite of "free" as in "free of charge"?** Feb 2, 2012 · What is the opposite of free as in "free of charge" (when we speak about prices)?
