*Silence of Adam* Lawrence J. Crabb, Larry Crabb, Don Hudson, Al Andrews, 1998-03-05 Men today have locked horns with their toughest issue: reclaiming the full potential of manhood. But in the midst of the excitement -- the meetings, rallies, seminars, and high-fives -- is something vital missing? What gives manhood definition and meaning? In *The Silence of Adam*, Dr. Larry Crabb and his colleagues, biblical scholar Don Hudson and counselor Al Andrews, offer a fresh look at how God designed men. They draw from neglected biblical data and their own professional experience to help us explore - manhood's lost vision - the problems of masculine community - the power of mentoring relationships -- *The Silence of Adam* deals thoughtfully and honestly with men's ongoing struggles and exposes the difficulties they have in relationships. It presents the rich calling men have to reveal God in ways uniquely masculine. And it summons them beyond their paralyzing fear of failure to bold risk-taking, action, deep spirituality, and full-hearted living.

**The Marriage Builder** Larry Crabb, 2013-05-07 Bestselling author Larry Crabb cuts to the heart of the biblical view of marriage: the one-flesh relationship. He argues convincingly that the deepest needs of human personality--security and significance--ultimately cannot be satisfied by a marriage partner. We need to turn to the Lord, rather than our spouse, to satisfy our needs. This frees both partners for soul oneness, a commitment to minister to our spouse's needs rather than manipulating them to meet our own needs. With soul oneness comes renewed body oneness, where couples enjoy sexual pleasure as an expression and outgrowth of a personal relationship. *The Marriage Builder* also identifies three building blocks essential to constructing marriage: the grace of God, true marriage commitment, and acceptance of one's mate.

Discussion questions are included to aid couples who want to dig into it and apply the principles to their own lives and marriages. The Marriage Builder is for anyone who longs to transform marriage from trial to triumph.

A new and vibrant love had risen out of the ashes of this family’s pain. **Where Are You?** John Paterson,2019-03-20 In our postmodern world where the individual ‘self’ is the centre of the universe and God seems at best to be weak and irrelevant, have you ever wondered where you are? Often when I ponder what’s going on in the world around me and in the relationships between me and others and then go deeper inside of myself than what is going on at the surface of my life, I get a sense of something significant deep within me, but it’s not me, so I wonder what it is. Do you have that sense? By the way, if I am the centre of the universe, where does that leave you—off centre? As a hydrographic surveyor in the Australian navy for nearly thirty years, I often found myself in uncharted waters searching for the unknown so as to make it known. What really gave me a sense of confidence was being able to know exactly

where I was at all times, founded on three known measuring marks, each accurately fixed according to an established datum. Since I am now searching in a different way, yet often still in ‘uncharted waters’ and at a really deep level, like C. S. Lewis and others before me, I want to find the ‘something’ that I just know is there because I know that when I do, I will know more about who I am and where I am in this life. But I will need known marks and an established datum because without them, I am unreferenced. You see, there’s more to me than you can see—and I know that is true about you too. If you want to go on a search for ‘something’, come surveying with me. Maybe this book will help you understand where you are.

**Wild Things** Stephen James, David Thomas, 2011-07-14 A practical guide to understanding the way, the mind, and the heart of a boy. A boy’s endless imagination, hunger for adventure, and passionate spirit are matched only by his deep desire to be affirmed, esteemed, and loved. Yet over the past few decades, our culture has adopted a model of parenting and educating children that doesn’t affirm, celebrate, nurture, or embrace a boy’s wildness but rather seeks to tame it. As a result, many moms and dads find themselves frustrated, confused, and wearied by their sons’ behavior. The truth is, boys don’t need to be tamed—they need to be understood, loved, challenged, and encouraged. Based on clinical research and filled with practical tips and suggestions, therapists Stephen James and David Thomas give fresh insight and much-needed encouragement on the road to raising boys by talking about: Parenting the different stages in a boy’s life Healthy discipline and correction Sitting still and paying attention Hot topics like screen time and dating Wild Things helps Christian parents, teachers, mentors, and coaches understand and explore the hearts, minds, and ways of boys and the vital role parents and caregivers play on the journey to authentic manhood.

*Why Guys Need God* Mike Erre, 2008-01-01 Is the Christian community doing a good job of presenting the message of Jesus in a compelling way to men? Women greatly outnumber men in attendance and active participation in American churches. Pastor Mike Erre offers a solution for this imbalance: a thoroughly biblical and engaging theology of manhood that is missing in many churches today. This call to move past cultural definitions of masculinity goes straight to the heart of the

issue: Creation--men and women bear the image of God in unique and surprising ways. The fall--men cannot experience significance on their own, so their lives often feel meaningless and empty. Redemption--God redeems a man's work, his sexuality, and his relationships. Unmasking unhelpful stereotypes of masculinity, this presentation of godly manhood inspires men to more effectively grow in Christ's image and empowers women to understand and encourage the men in their lives.

**The Secrets Men Keep** Stephen Arterburn,2007-11-04 Every man has secrets. Whether they are sinful or simply not in your best interest. . . whether you wall them off or stuff them down deep, you are not alone. But as author Stephen Arterburn warns, secrets are also the most dangerous force within a man, so finding a way to deal with the unspoken fears and questions that threaten to undo you is among your most important tasks. In this book, the author of the million-selling Every Man's Battle series courageously exposes what nearly 4,000 men like you said they think, feel and question - about themselves, their work, their marriage and family, their finances, and their faith - but don't dare to talk about. He also affirms again and again that the strength it takes to keep your secrets safe can be redirected to make a better life and a stronger you. Throughout these pages, Arterburn not only fleshes out each of twenty-five secrets but gives perspective on where those secrets come from, why they feel so important, and how to respond to them . . . to make life, love, work, and leadership easier for you and for everyone who loves you.

*Finding God* Larry Crabb,2010-06-01 In today's psychological culture, we have become a people more concerned with solving our problems than finding God. Suffer low self-esteem? Get counseling. Unfulfilled in life? Join a recovery group. But solving problems is not the point, argues Dr. Larry Crabb. In fact, whenever we place a higher priority on solving our problems than on pursuing God, we are being immoral! Dr. Crabb demonstrates that our deepest problem and worst sin is doubting God. When we doubt God's goodness, when we think that god cannot be trusted with the things that matter most, we will quietly, but with tight-lipped resolve, take over responsibility for our own well-being--with disastrous results. In his most compelling book since *Inside Out*, Dr. Crabb upsets the cozy Christianity of the modern believer. He reveals anew God's top priority: not our comfort and gratification, but His glory.

**Ministering Graciously to the Gay and Lesbian Community** Brian Keith Williams,2005 Helps you understand what will enable those individuals who are entrenched in what is called an 'alternative' lifestyle to find a path of peace in the recovery of their soul and self-esteem. Educate those who want to learn, to relate and to understand in order to genuinely minister graciously to the gay and lesbian community, whether they be family, friends, or fellow church members. Equip the reader with the information to gently and lovingly apply the oil of God's Spirit and the wine of God's love.

Adventures with Apples and Snakes George M. Goodrich, 2010-07-26 Can you visualize what Eve saw when “her eyes were opened” from the effects of her “apple break” in Genesis 2 and 3? What was the snake expecting to gain from this adventure? These and many other questions are discussed in Apples and Snakes. The book provides many insights for personal growth resulting from Eve’s apple and snake encounter. The format can also be used for small group study as well. Discussion questions are included. The fall of humanity from God’s grace has many lessons for everyday living even today. The book divides the lessons into six sections: the apple; the knowledge; the consequences, and the final sacrifice. The lessons are explored with the use of questions and examples. Some of the questions serve as chapter titles. The examples are from the author’s experiences with friends, business associates, and family.

**Free Yourself, Be Yourself** Alan D. Wright, 2010-04-13 ISN'T IT TIME YOU SHED PERFORMANCE-BASED LIVING? When Alas Wright's childhood family collapsed, he took the blame. As a wounded fourth grader, Alan secretly wondered, What's wrong with me? How can I become loveable again? Unconsciously, he made the most devastating--and common--of vows: I'll do whatever it takes to be loved. Excelling in sports, earning straight A's, and well-liked by everyone--except himself--Alan had made a childhood commitment to performance-based living, which led to a series of grown-up problems. Hyper-sensitivity: Why am I so bothered by every criticism? Self-Doubt: Why do I always question my abilities and motives? People pleasing: Why do I have a hard time saying no or facing conflict? Fear of failure: Why do I feel like I have to be perfect? Self-sabotage: Why can't I celebrate my gifts and accept God's blessings? Laugh, cry, struggle, relate, and be set free as Alan Wright invites you to discover his simple solution—how to release your pride and shame to Jesus, banish fear,

and accept unconditional love and acceptance to live as you were meant to live.

With vivid stories, raw emotion, and unwavering honesty, Denise opens a window for divorced or divorcing readers to breathe in the fresh air of God's Spirit. For, among many surprises in store for Denise during her first year of flying solo, one of the most startling was this: God desires to be with us through our pain. She writes, Flying solo isn't about being alone. It is about living a life that may hurt at times, wound at times, betray at times; but there is still an incredible unobstructed view of heaven, and an opportunity to discover God in the middle of it. Readers struggling to stay afloat in the wake of a marriage's end will hear from a fellow traveler that they don't have to settle for treading water . . . they can learn to fly.
