I Am One of You Forever Fred Chappell, 1987-07-01 Wonderfully funny and also deeply touching, I Am One of You Forever is the story of a young boy's coming of age. Set in the hills and hollows of western North Carolina in the years around World War II, it tells of ten-year-old Jess and his family -- father, mother, grandmother, foster brother, and an odd assortment of other relatives -- who usher Jess into the adult world, with all its attendant joys and sorrows, knowledge and mystery. Jess's father is feisty, restless, and fun-loving. His mother is straitlaced and serious but accepts with grace and good humor the antics of the men of the family, a trait she learned from her own mother. Johnson Gibbs is the orphaned teenager who comes to live with them on their mountain farm. Life on the laurel-covered mountain is isolated and at times difficult, but for Jess it is made rich and remarkable through his relationship with his father and, especially, Johnson Gibbs. Visiting

the farm from time to time is a gallery of eccentric relatives who are surely among the most memorable creations in recent fiction. Uncle Luden is a womanizer who left the mountains years ago for a job in California that paid actual cash money. Uncle Gurton has a spooky way of appearing and disappearing without ever seeming to enter or exit, but it is his flowing beard, which he has apparently never trimmed and which he keeps tucked inside his overalls, that is of most fascination to Jess. Uncle Zeno is a storyteller. With the words That puts me in mind of... everyone around knows that he is about to launch into another of his endless tales. Uncle Runkin, who always brings his handmade coffin to sleep in whenever he visits, spends his time carving intricate designs into the coffin and trying to find just the right epitaph for his tombstone. Aunt Samantha Barefoot stops by for a brief spell, too. A country singer and cousin to Jess's grandmother, she is a woman of uncensored speech (Jess learns a lot from her) and honest emotions. Chappell tells the story of all of these characters in a series of chapters that range from fantasy and near farce to pathos. As notable for its lyrical descriptions of the rural settings as for its finely honed vernacular dialogue, *I Am One of You Forever* shows us a world full of wit and wisdom and the sadness at the heart of things. As one would expect from a poet like Fred Chappell, every line offers its own pleasures and satisfactions.

Thomas Wolfe and Lost Children in Southern Literature Paula Eckard, 2024-01-12 “Paula Gallant Eckard not only explores the utterly teachable *The Lost Boy*, she also provides substantive and provocative readings of a wide variety of contemporary Southern fiction. Through her critical analysis and admirable focus on “lost” children and children suffering loss, Eckard examines how some contemporary writers provide new stories of the Civil War, the role of other wars in Southern lives, and the centrality of family.” —Margaret M. Bauer, Rivers Chair of Southern Literature at East Carolina University First published in 1937, Thomas Wolfe’s *The Lost Boy* gives name to the theme of lost children that has permeated much of southern literature and provides a template for telling their stories. In *Thomas Wolfe and Lost Children in Southern Literature*, which grew out of many years of teaching *The Lost Boy* and other works of southern literature, Paula Gallant Eckard uses Wolfe’s novel as a starting point to trace thematic connections among contemporary southern novels that are comparably evocative in their treatment of lostness. Eckard explores six authors and their works: Fred Chappell’s *I Am One of You Forever*, Mark Powell’s *Prodigals*, Kaye Gibbons’s *Ellen Foster*, Sue Monk Kidd’s *The Secret Life of Bees*, Bobbie Ann Mason’s *In Country*, Robert Olmstead’s *Coal Black Horse*, and Lee Smith’s *On Agate Hill*. Though each novel is unique and a product of its own time period, all the novels explored here are cast against the backdrop of the South during eras of conflict and change. Like *The Lost Boy*, these novels reflect a sense of history, a sense of loss associated with that history, and an innate love of story and narrative, as well as representations of work that historically have defined the lives of individuals and families throughout the South. In its artistic treatment of lostness, *The Lost Boy* creates a significant literary legacy. As Eckard demonstrates, that legacy continues in the form of these six contemporary authors who, in writing about the South, perpetuate Wolfe’s efforts as they also create or find the lost child in new ways. PAULA GALLANT ECKARD is an associate professor of English and the director of the American studies program at the University of North Carolina at Charlotte. She is the author of *Maternal Body and Voice in Toni Morrison, Bobbie Ann Mason, and Lee Smith*.

Z, 50th Anniversary Edition Vassilis Vassilikos, 2017-02-28 A progressive parliamentary deputy is scheduled to appear at a political rally. Meanwhile, local political bosses plot his assassination. Thugs are recruited to disrupt the rally. Rumors begin to spread. But the forces already set in motion are irresistible. Z is the story of a crime, a time, a place, and people transformed by events. Z was published in Greece in 1966, and banned there one year later. It is based on an actual political assassination in 1963 in Salonika. The victim was Gregory Lambrakis, a socialist legislator and outspoken critic of the

government. But Lambrakis's killers could not have anticipated the public response. His funeral became a political event; by the time the cortege reached Athens, 400,000 people were following the coffin in silence. In the nation's capital, the letter Z suddenly appeared on walls, sidewalks, posters--everywhere. Z stands for the Greek verb *zei*, he lives.
