

Wife Wants To Play

M Walker

Should wife go out clubbing when husband disagrees? May 17, 2011 · My wife likes to go out with her friends and says she needs girl time. I feel left out to some degree but I understand she needs that time. A couple of nights ago my wife went out with her friends for her birthday. I noticed she was wearing a shirt that shows a ... *Did my wife just went on a date with her male coworker?* May 25, 2024 · It was a date, no matter how much she wants to deny it. My wife would be livid had I went out to dinner with female co worker. Especially with as little time we had together each day. Wife did something like that, I stay out till 3am "having a drink" with the girls from work. *Wife & "Girls Night Out" .. Is It Me? - Talk About Marriage* Oct 15, 2011 · A lot of women put on a persona to their husband that is what they think he wants of them. Your wife knows you want a sexually shy wife. But that is not really who she is. Who she really is is a reckless woman who drinks, goes off with random men she meets out dancing and also has a boyfriend on the side. Not much there for you. **Reconciling with ex-wife, after divorce and affair** Jun 20, 2020 · I'd say to let that play out, as long as she is showing full transparency and doing the right things. My advice is to say to her that the best that you are willing to offer at this time is cohabitation. If she truly wants to remarry, she should realize that you being at the table is a huge gift to her and an opportunity to redeem herself. **Wife and her friend asked me if I would consider a threesome** Aug 7, 2023 · A friend of my wife is getting divorced, so to help my wife take care of our child, the friend moved in. I wasn't thrilled, but I understood that we needed help with childcare. After one of my trips, my child told me that my wife and friend shared the master bedroom when I am gone. I asked about this, and my wife said they just comfort each other. **Soft Swap or couples play - Talk About Marriage** Feb 6, 2011 · We tried the swap thing with other couples but my wife found see did not like other guys (other than me) she found out she was into girls and now we have an occasional girlfriend over for a night of fun. I DO NOT play with our girlfriends unless my wife is present although she is allowed to if she wants. **Wife teetering, wants divorce - last thing I'd ever want** Jun 3, 2025 · The second discernment session for my wife and I is set for the following Thursday, so hopefully another week of introspection and preparation of my thoughts before then will do me some good. **Finally asked for a D. Wife wants another chance. Trust...** Apr 5, 2015 · Over the past several days, my wife has been begging for another chance and promising to finally go to counseling. Saying that she hasn't realized until right now (2.5 years later with a verbal declaration of D) how much of an issue this is for me. *Hall Pass - Talk About Marriage* Nov 14, 2017 · I was my wife's first, and only. If she came to me saying

the same things as you are saying, I would divorce her. You know it won't stop at a kiss, don't you? Whatever you decide to do, definitely tell him your feelings. Give him the option of going along, or divorcing you. *Wife is "just friends" with male co-worker?* - *Talk About Marriage* Aug 24, 2016 · You said your wife is the jealous type & said "men & women cannot be just friends". But she has a double standard now. She can text her co-workers but you can't! Then she ignored your text about it! And then blamed you & said you were picking on her! They are getting closer now & I wonder what the Doctors wife thinks of all this?
