Faith Lies Darrell Smith, 2019-01-08 Faith Lies: 7 Incomplete Ideas That Hijack Faith and How to See Beyond Them is for people noticing the cracks in the foundation of their faith as well as those who feel they have been hurt or discarded by a God or a faith that just does not make sense. Faith lies are those seemingly required religious ideas or spiritual beliefs that are often confusing and rarely helpful. LIE 1 -- The Bible is the Literal Word of God -- The Bible is not the written record of God's dictation. God was most certainly the inspiration for the Bible, but not the medium. People were the medium—they did the storytelling, the writing, the selecting, and the interpretation that resulted in the Bible. The Bible is not God's Bill of Rights and Constitution. Rather, it is a divinely inspired story of progression that should open things up rather than constrict and regulate. LIE 2 -- God is Angry and Doesn't Like Me--Especially When I Sin -- Instead of perceiving God as a loving parent, many of us understand God as a cosmic scorekeeper, intent on our purification. Understanding God as a loving parent not only requires a reframing of our perception of God but also invites us to see each other and ourselves as beloved children. LIE 3 -- The Devil is God's Counterpart -- This is the bad idea that the Bible presents a continuous, consistent narrative about the devil. It simply does not. Moreover, when we string together what we actually have--disparate statements about satan made by different people, from different places, languages, cultures, and times--we arrive at the strange notion that there is a "good" god who is responsible for the "good" things in our lives and a "bad" god (satan) who handles the "bad" stuff. LIE 4 -- I Am Supposed to Protect and Defend God and My Faith -- There are real tensions and conflicts around the globe today that are built on the notion that as people of faith, one of our jobs is to defend our faith or our God. Rather than settling for a god who needs our protection, we can follow the powerfully divine thread of moving "beyond the tribe" that is found throughout the Bible. LIE 5 -- There is One Right Way to Believe and One Right Way to Behave -- One of the root lies of fundamentalism--in all faiths--is the notion that true faith is defined by believing the right things and acting the right way. Isn't it more likely that we are all part of a diverse creation that flows from a God that cannot be contained by any one belief or behavior? LIE 6 -- Faith is a Private Matter -- Much like whom we voted for in the last election or how much money we make, people have wrongfully accepted the idea that faith is a private matter and not to be shared with others. The spiritual life has always been a communal life. We require others to undertake our journey, and others need us, too. LIE 7 -- Real Faith is Blind Belief -- The idea that true faith has no doubts or questions creates a powerless and impotent faith that discourages

critical thinking and fosters the ridiculous assumption that science and faith are unrelated. Real faith actually requires doubt, criticism, and exploration in order to change us—let alone change the world. While the loud voices at the margins adamantly declare faith either completely irrelevant or capable of being contained in one narrow ideology, most people get lost in the mix, feeling no certainty or comfort in either direction. Faith Lies deconstructs the terrible notion that faithlessness and fundamentalism are our only options.

Warrior Priest Mike Johnson, 2005-10-13 World War II is a story told most often through the eyes of national leaders, generals and, occasionally, infantrymen. Warrior Priest underscores why that cauldron continues to stir imaginations and

curiosity by conveying the wars global impact in ways rarely told. Here are woven together memorably the lives of a young priest turned airborne chaplain, a Cracow student turned Polish lancer, an aircraft carrier fireman, two young women partisans in Warsaw and a French village, and a small town girl who follows a volunteer flyer to England where she first treats the wounded in a London hospital and then joins the U.S. Army nurse corps. Meticulously researched, Warrior Priests characters interact with real-life people in historically authentic locales and situations and in an accurate chronology from 1939 through 1946. From a quiet, small town in 1930s Ohio to a Vatican-run seminary From a Polish lancer charging German invaders to a U.S. airborne chaplain jumping into the night From a London hospital during the Blitz to a church basement in battered Warsaw From the harrowing streets of the ghetto to heroic river crossings From the heaving deck of an imperiled aircraft carrier to a memorable walk down a church aisle From invasion beaches to evacuation hospital tents From an occupied French village to the Nazis only death camp in France Warrior Priest pulls the reader into and through the cauldron of World War II by weaving together the lives of everyday people in unforgettable ways.

A Commentary on the Pauline Epistles Charles Bray Williams,2013-10-01

Faith and Reason Carmel Paul Attard,2020-12-28 As a Christian you might have asked yourself questions like: How could a benevolent God, “our Father,” punish anyone in fire eternally? How could billions of non-members of my church all be going to hell? How can there be three “Gods” in one God? How can Jesus be both human and divine? Why is the “kingdom of God” in heaven, but we pray for it to “come on earth”? Why is the Bible infallible when it’s littered with textual contradictions? The talking serpent clearly relegates Adam and Eve’s story to the realm of tales. Since they never existed, how could they have committed original sin? So how could we inherit it? And what did Jesus need to redeem us from? It’s been almost two thousand years: will Jesus ever come back to earth? How can Jesus be inside the Eucharist? Faith and Reason shows why and how we’ve come to believe such oddities. “The truth will set you free!” John 8:32 (NIV)

Messiaen's Contemplations of Covenant and Incarnation Siglind Bruhn, 2007 The celebrated composer Olivier Messiaen (1908-1992) characterized himself as a rhythmician, ornithologist, and theologian. All interpreters concur that his life and work are grounded in a profound faith. This book examines the translation of his faith into his musical language. It centers on a hermeneutic analysis of two spiritually motivated instrumental compositions, *Visions de l'Amen* for two pianos (1943) and *Vingt Regards sur l'enfant-Jésus* for piano solo (1944). Part I introduces the main aspects of the composer's religious environment (the Catholic literary revival, his father Pierre and his mentor Charles Tournemire) as well as the components of his idiosyncratic musico-symbolic vocabulary. Parts II and III examine the twenty-seven movements comprised in the *Visions* and the *Regards*, whose thematic material, structure, and musical as well as spiritual function within the whole cycle are interpreted in light of the literary source and imagery that inspired Messiaen. This book is part of Siglind Bruhn's *Messiaen Trilogy*.

Dante in Conversation with Contemporary Theorists Blaise Cirelli, 2024-12-09 Dante's *Divine Comedy* appears on the reading list of almost every university's Humanities Studies department. But often it is thought of as a relic from the past. What if instead of considering the *Divine Comedy* as a historical artifact, one engaged the text as a work pertinent to the moment? Can we learn anything about our present situation by reading the *Divine Comedy*? Blaise Cirelli brings the *Divine Comedy* to life by challenging readers to consider how contemporary theorists might question Dante about his work. Where would Dante and the theorists agree, and where might they disagree? And which side might the reader of this text choose? This book will both enrich our understanding of Dante's *Divine Comedy* and challenge us to think afresh about our own beliefs.

The Institutes of the Christian Religion □ *Volume II* John Calvin,

Commentary on the Gospel According to John John Calvin, 2018-03-18 A highly involved and intriguing look at the book of John, John Calvin interacts with the text in a way that most other commentators of his time have never done.
