100 Essential Indian Films Rohit K. Dasgupta, Sangeeta Datta, 2018-12-15 Although the motion picture industry in India is one of the oldest and largest in the world—with literally thousands of productions released each year—films from that country have not been as well received as those from other countries. Known for their impressive musical numbers, melodramatic plots, and nationally beloved stars, Indian films have long been ignored by the West but are now at the forefront of cinema studies. With the prolific number of films available, it can be difficult to know what to watch. In *100 Essential Indian Films*, Rohit K. Dasgupta and Sangeeta Datta identify and discuss significant works produced since the 1930s. Examining the output of different regional film industries throughout India, this volume offers a balance of box-office blockbusters, critical successes, and less-recognized cult classics. From early films by Satyajit Ray to contemporary classics such as *Salaam Bombay* and *Lagaan*, each entry includes comprehensive details about the film and situates the work in the context and history of the Indian canon. In addition to these notable productions, this book also examines key film directors and the work of major film stars in the industry. While many studies of Indian films focus on a single language's contributions, this encyclopedia offers a comprehensive guide to productions from across the country in various languages, including Hindi, Bengali, Tamil, Malayalam, Assamese, Punjabi, Marathi, and English. *100 Essential Indian Films* is an engaging volume that will appeal to both cinema scholars and those looking for an introduction to a vital component of world cinema.

India's New Independent Cinema Ashvin Immanuel Devasundaram, 2016-06-10 This is the first-ever book on the rise of the new wave of independent Indian films that is revolutionising Indian cinema. Contemporary scholarship on Indian cinema so far has focused asymmetrically on Bollywood—India's dominant cultural export. Reversing this trend, this book provides an in-depth examination of the burgeoning independent Indian film sector. It locates the new 'Indies' as a glocal hybrid film form—global in aesthetic and local in content. They critically engage with a diverse socio-political spectrum of 'state of the nation' stories; from farmer suicides, disenfranchised urban youth and migrant workers to monks turned anti-corporation animal rights agitators. This book provides comprehensive analyses of definitive Indie new wave films including *Peepli Live* (2010), *Dhobi Ghat* (2010), *The Lunchbox* (2013) and *Ship of Theseus* (2013). It explores how subversive Indies, such as

polemical postmodern rap-musical Gandu (2010) transgress conventional notions of 'traditional Indian values', and collide with state censorship regulations. This timely and pioneering analysis shows how the new Indies have emerged from a middle space between India's globalising present and traditional past. This book draws on in-depth interviews with directors, actors, academics and members of the Indian censor board, and is essential reading for anyone seeking an insight into a current Indian film phenomenon that could chart the future of Indian cinema.

Bollywood FAQ Piyush Roy, 2019-09-20 Bollywood, a popular nomenclature for India's "national" film industry in the Hindi language, along with the Taj Mahal, yoga, Buddha, and Mahatma Gandhi, is one of the best-known introductions and universally recognized associations with India across the world today. Despite its predominant narrative styles not confirming to the First World European and/or American cinema structure, Indian cinema is increasingly viewed as the world's second-most important film industry, after Hollywood, with box-office influence crossing over with European cinema. Bollywood FAQ provides a thrilling, entertaining, and intellectually stimulating joy ride into the vibrant, colorful, and multi-emotional universe of the world's most prolific (over 30 000 film titles) and most-watched film industry (at 3 billion-plus ticket sales). Bollywood blockbusters are simultaneously screened in theaters and cinemas in over 100 nations from the USA to Japan, New Zealand to the Netherlands, and Peru to Pakistan. Every major Hollywood studio (Warner Bros., Fox Star, Disney, Sony Pictures, and Viacom 18) is now making or distributing Bollywood films. Yet much of Indian cinema continues to amuse and confuse audiences and critics outside of India, including during their first/occasional introductions to its, in the words of Salman Rushdie, "epico-mythico-tragico-comico-super-sexy-high-masala-art form in which the unifying principle is a technicolor-storyline." Bollywood FAQ explains and explores the above myths and magic. It introduces India's maharajah-like stars and their cult-commanding stardom. Movie buffs will find a ready reckoner on iconic Bollywood films, with a bonus must-watch listing of the cinema's most spectacular song-and-dance moments, highlighting the pleasures and popularity of a national cinema that has come to be a genre in itself. This book is a reader-friendly reference to everything one has ever wanted to know about the spectacular, robust, humongous, colorful, and dramatic multi-generic cinematic being called Bollywood. The narrative is enriched with insider insights culled from its author's long career as a film writer and critic in the city of Bollywood, Bombay (now Mumbai).

The never-ending Brief Encounter Brian McFarlane, 2019-08-28 This is a book for all those who have been absorbed and moved by *Brief Encounter* in the seventy or so years since its first appearance. It explores the central relationship of the film, where two people who fall unexpectedly in love come to realise that there is more to life than self-gratification. Mores have undoubtedly changed, for better or worse, but that essential moral choice has never lost its power. While acknowledging this, the book goes further in an effort to account for the way the film has passed into the wider culture. People born decades after its first appearance are now adept at picking up references to it, whether a black-and-white scene in a much later film or a passing joke about a bald man in a barber's shop.

Indian Air Force and Me Muniruddin Syed, 2017-08-14 38 years in anyone's life is a very long period. I was privileged to be associated this long with the marvellous service known as the Indian Air Force. Although retired more than 24 years ago, I often forget that I am no longer in the service. In my dreams, I still see myself worrying about some unfinished tasks of the Squadron. On several occasions, I dream as if I am packing household items hurriedly to proceed on some imaginary transfer. After waking up, I realise it was only a dream; but the sweetness of those moments keep lingering on my mind for rest of the day. Psychologists might name this condition as an obsession, and I wouldn't differ with them. Dreaming at night and recollecting past events during the day ultimately nudged me on to make the anecdotal record in the form of a book, which is now in your hands. Most of the Autobiographies are written by Top Ranking people with Top view of the organization they command. This book is however different that it is written by a person holding lower position and viewed from the bottom echelon of the organization. All the characters in the book are absolutely real, with their correct names and locations. However, in a couple of places, the names are changed to avoid controversy. The change of name is clearly indicated wherever it occurs. There is no malice, and no intention to hurt anyone's feelings. Still, if anyone feels hurt, please accept my apologies in advance.

The Dashing Ladies of Shiv Sena Tarini Bedi, 2016-03-23 Explores the activities and political personas of women activists in Shiv Sena, a militant Indian political party. Rich in detail, this book tells the stories of women of Shiv Sena (Shivaji's Army), a militant political party in Western India. It provides insight into the political networks powered by lower-level women politicians in postcolonial, globalizing cities and on their margins. Based on more than ten years of in-depth ethnographic fieldwork with the women of Shiv Sena, the work shows how women political activists in urbanizing India

conjure political authority through the inventive, dangerous, and transgressive political personas known as “dashing ladies.” Tarini Bedi develops a feminist theory of brokerage politics, arguing that political grids where women employ political, symbolic, and material resources through the political system may be seen as channels of what can be termed “political matronage.”
