But a huge number of English speakers, even those that are well-educated, use there's universally, regardless of the number of the ... *Is 'There is no there there' a normal and very natural expression?* Jun 2, 2012 · Though spell-checker keeps demanding me to delete one of three theres there from the text I'm typing in, I don't think there's any grammatical problem with this line. However, it makes me hiccup for unknown reason. Is this just a pun of words played by the writer? Is it 'cool' or a very normal and natural expression? **Origin of the phrase, "There's more than one way to skin a cat."** Jun 30, 2011 · There are many versions of this proverb, which suggests there are always several ways to do something. The earliest printed citation of this proverbial saying that I can find is in a short story by the American humorist Seba Smith - The Money Diggers, 1840: "There are more ways than one to skin a cat," so are there more ways than one of digging for money.
