Those are amazing stats, and this book will take you even further than those numbers! In this book: A detailed introduction with tips and tricks on how to improve your learning A list of 2000 of the most common words in German and their translations An example sentence for each word - in both German and English Finally, a conclusion to make sure you've learned and supply you with a final list of tips Don't look any further, we've got what you need right here! In fact, we're ready to turn you into a German speaker... are you ready to get involved in becoming one?

No Longer Human 芥川龍之介,1958 A young man describes his torment as he struggles to reconcile the diverse influences of Western culture and the traditions of his own Japanese heritage.

Chess Story Stefan Zweig,2011-12-07 Chess Story, also known as The Royal Game, is the Austrian master Stefan Zweig's final achievement, completed in Brazilian exile and sent off to his American publisher only days before his suicide in 1942. It is the only story in which Zweig looks at Nazism, and he does so with characteristic emphasis on the psychological. Travelers by ship from New York to Buenos Aires find that on board with them is the world champion of chess, an arrogant and unfriendly man. They come together to try their skills against him and are soundly defeated. Then a mysterious passenger

steps forward to advise them and their fortunes change. How he came to possess his extraordinary grasp of the game of chess and at what cost lie at the heart of Zweig's story. This new translation of Chess Story brings out the work's unusual mixture of high suspense and poignant reflection.

Private Kate Brian, 2012-10-11 Fifteen-year-old Reed Brennan is delighted when she wins a scholarship to Easton Academy - it's the golden ticket out of her suburban life and away from her pill-popping mother. But when she arrives at the beautiful, tradition-steeped campus, everyone is more sophisticated, more gorgeous and a WHOLE lot wealthier than she is. Reed may have been accepted to the Academy, but she certainly hasn't been accepted by her classmates. She feels like she's on the outside, looking in... until she meets the Billings Girls. They're the most beautiful, intelligent and powerful girls on campus. And, boy, do they know it. Reed vows to do whatever it takes to be accepted into their inner circle. But once she's in, she discovers much more than designer clothes hiding in their closets - there are also plenty of skeletons... Secrets which must be kept PRIVATE. Whatever the cost. This compelling series full of dark secrets, mystery and satire is a must for fans of Gossip Girl, Pretty Little Liars and Mean Girls?.

Grammar Tables for Students of German Fran Martin, 2017-01-05 If you are reading these lines, it's probably for one of these reasons. You like languages or you like or need to learn German. Whatever the reason, this guide will show you many summary tables that I, the writer, used to learn German and pass my German exams from A1 (Beginner) until B1 (Intermediate) level. If you have a level above B1, this book will not be useful for you. It is important to make clear that this is not a course of German. What you will receive for buying this little guide is a list of summary tables that will be useful for you when learning the grammar. Do you want to know what those tables are and start using them to learn German?

Advanced German Vocabulary Hermes Language Reference, 2018-01-03 This intensive lexical builder is addressed to B1-B2 intermediate learners of German, who are already capable of reading easy German stories, and who would like to enrich (and/or refresh) their vocabulary up to the advanced level in order to approach more complex German texts. Each piece of vocabulary is embedded in at least three example sentences in order to appeal to active understanding and trigger both short-term and long-term memory. Whenever possible, different meanings of the terms or expressions concerned are also illustrated. The vocabulary lessons are interspersed with concise but essential reminders of German grammar. At the end of the book, readers are offered a bilingual, paragraph for paragraph version of one of E. T. A. Hoffmann's famous stories, namely Rath Krespel (1818), translated in English by J. T. Bealby (1885). In each pair of bilingual paragraphs, important words to retain or recognize are emphasized in bold or underlined. Finally, the bilingual version is followed by the original, German only text of Hoffmann's novel - which readers are advised to go through, even if by now they know the narrative - since it is essential to retrieve and fully consolidate all learned German terms into their original context. This paperback comes with a free copy of the e-book version. Should you have any suggestions as to how this book

can be improved, please email us at: hermeslanguagereference@gmail.com, or visit us at www.hermeslanguagereference.wordpress.com And of course, as always when it comes to foreign language learning, remember to stay brave!

Using German Synonyms Martin Durrell, 2000-05-29 This book, designed for students who have already developed a basic competence in German, aims to broaden and improve their vocabulary by providing detailed information on groups of German words with related meanings. It is invaluable as a guide to finding the right word for the context. In order to enhance understanding of the structure of the German vocabulary, groups of synonyms are organised under German (rather than English) headwords. All entries are accompanied by an example of usage and English glosses and there are two indexes allowing users quickly to locate words in German or English. The book takes full account of register variation, indicating the degree of formal or informal use, and reflects regional usage especially in Austria and Switzerland. It is an essential reference for intermediate and advanced students as well as teachers and other professional linguists seeking access to the finer nuances of the German language.

David Days, Mona Nights Andreas Steinhöfel, Anja Tuckermann, 2004 Translated from the German, this award-winning novel for young people captures the thrill of words, writing and letters invoking a feeling that phone calls and email cannot ever match.

Deutsch Ohne Mühe Heute Hilde Schneider, 1987 This book aims to take users from scratch to having a solid base in German within six months, and to feel comfortable with the language in as little as three months. In only half an hour a day users will move ahead naturally until they are at ease with all the basic structures needed for communication and become familiar with the basic words and grammar of German. The method comprises two phases: the passive phase, in which users simply repeat what they hear and read, and the active phase, in which users begin to create sentences and imagine

themselves in a variety of everyday situations.

The Caucasian Chalk Circle Bertolt Brecht,2015-03-16 This Student Edition of Brecht's classic dramatisation of the conflict over possession of a child features an extensive introduction and commentary that includes a plot summary, discussion of the context, themes, characters, style and language as well as questions for further study and notes on words and phrases in the text. It is the perfect edition for students of theatre and literature. Brecht projects an ancient Chinese story onto a realistic setting in Soviet Georgia. In a theme that echoes the Judgment of Solomon, two women argue over the possession of a child; thanks to the unruly judge, Azdak (one of Brecht's most vivid creations) natural justice is done and the peasant Grusha keeps the child she loves, even though she is not its mother. Written in exile in the United States during the Second World War, *The Caucasian Chalk Circle* is a politically-charged, much-revived and complex example of Brecht's epic theatre. This volume contains expert notes on the author's life and work, historical and political background to the play, photographs from stage productions and a glossary of difficult words and phrases. It features the acclaimed translation by James and Tania Stern with W. H. Auden.

Becoming Fluent in German Philipp Eich,2020-04 Learning German may seem like a difficult task. Especially when it comes to the nature of the German language. The good news is that's just a false presumption. Every language can be learned if you know the right technique and the right information. It is proven that the easiest way to learn a language is to hear it in action. Hearing a natural German conversation is the best thing you can do, it's like listening to a story. Natural is the keyword in that sentence. A natural approach to learning the language is the fastest and simplest approach to do it. Why do you think you hear people learning a language extremely fast when they move to another country? Because they hear it naturally, every day. Learn German with stories . Maybe the easiest language learning system ever created. How does that sound to you? People listen to other people's stories. The human mind is programmed to like stories because that's what our life is. A story. And because of this very reason, I've crafted stories that will easily cut you months of struggling to learn German. There will no longer be a struggle. Moving to Germany just to learn German is not a solution . That's why my book brings Germany to you. It brings stories to you. Learning German with my stories will grab your mind into believing that you will actually live into German conversations. When you're reading a story, you feel like you're there. The same concept applies to learning German with stories. About my learning German with stories book : It contains 150 short stories about everyday situations Every story is followed by questions and key vocabulary The more you read, the easier your brain will automatically get used to the German language (isn't that easily beautiful?) It includes more than 900 digital flashcards for those not able to understand the book completely from the beginning It uses psychologically inserted KEY PATTERNS to make your brain automatically easily learn sentences and words (this is key) The book uses a read-word-repeat writing system along the stories for natural, fluid learning (heavy repetition = higher retention rate) The Benefits of using my book:

Easily learn German with stories Feel at ease when reading & learning with the flow of the stories No struggle forcing to learn words/phrases Learn at your own pace Feel confident in your German language skills after a few weeks ONLY Once you learn, you NEVER forget Learn German with my stories (the easy way)

English Conversation Made Natural Language Guru,2022-04-16 Having trouble understanding or teaching English conversation? If so, try this book! As language learners and teachers ourselves, we understand the desire to learn or teach

the real English language as used by native speakers. ESL textbooks and grammar workbooks are not only boring, but they also don't represent the real English language that is used every day. With our book English Conversation Made Natural, you can immerse yourself in real conversations that tell an authentic story through a variety of dialogues. Along the way, you'll also find several basic scenarios from daily life to improve your or your students' English language abilities. You will find both informal and formal English conversations between close friends, coworkers, family members, classmates, and strangers. This includes picking up prescriptions at the pharmacy, checking out books from the library, and ordering food at a restaurant. These dialogues will help prepare students to speak English in the adult world. - Each chapter comes with an ESL glossary to help explain new words and idioms very easily. - Students can test their understanding of each conversation using the comprehension questions. - Learn or teach English grammar naturally from texts written by native speakers from the USA. (The level of the material is best suited for intermediate adult learners or beginners who are looking for a challenge. ESL teachers may also find the material as an excellent teaching tool for the classroom.) Grab your copy now and get started today!
