Why Did Global Warming Become a Moral Matter? Mar 24, 2007 · That, however, was a very good point. Done the right way, and run the right way (i.e. letting the scientists run things and not the government/politicians), nuclear power is a very beneficial source of energy. It would be nice to actually do something useful and meaningful with all of this global warming talk. Not to mention, nuclear power would be one step of many towards ending dependency on ...
