**Besorah of Yahusha Natsarim Version** Lew White,2013-06-01

**Return of Yahusha** Lew White,2017-07-04 The Return Of Yahusha is an exciting page-turner that will challenge and thrill those who yearn to learn more about what Scripture calls the day of Yahuah, the linchpin of all history. The book investigates the prophecies concerning the End Times, restoration in the last days, the Two Witnesses and their message, a better understanding (and sequence) of what is called the rapture, the ending of the Secret of Alahim, the elect really are, the secret of lawlessness, the Final Day of Wrath, the Bride, and much more. The Redemption Plan is examined within the festivals (appointed times) of Yahuah, and all of them form a shadow of things to come for the body of Yahusha ha Mashiak.

The Besorah of Yahushua Natsarim Translation Project,2008-04-01

BESORAH Olufemi Oni,2020-11-21 The message of the King was hijacked by His enemies, and dressed in the garb of abominable religions much in the same way that a woman works yeast into a dough ball and makes them into three portions. The three Abrahamic religions of Talmudic Judaism, Christianity and Islam all claim to have the message of eternal hope for humanity, but a closer examination reveals otherwise. In five chapters of sizzling revelations, the author takes the reader on a thought-provoking journey to rediscover the lost message of the Kingdom, unravelling mysteries previously unknown and new depths of insights into the most important event that is yet to come - The Restoration of the Kingdom of Heaven. There is truth to be told, hope to be renewed and judgment to be declared. Tables will be shaken, secrets will be exposed, the hidden will be revealed, and dry bones shall rise. He who took captive shall be taken captive; he who killed with the sword must be killed with the sword. Saviors will arise from Mount Tsiyon to judge the mount of Edom, Babylon will fall, and the Kingdom will be Yahuah's forever.

**Bynv Yahusha HaMashiak**,Lew White,2019-03-05 The BYNV is an acronym for The Besorah Of Yahusha Natsarim Version. This updated translation has many new features. This bulky size of one thick book containing 66 books is now contained in two thinner volumes. BYNV Volume 1 features BARASHITH (Genesis) through YEKEZQAL (Ezekiel), and BYNV Volume 2

features HUSHA (Hosea) through REVELATION. Whether a beginner or advanced student, the expanded GLOSSARY is included in both volumes. In this two volume series, the transliteration rather than the Hebrew letters for the Name Yahuah is used. An English reader will be able to pronounce the Name with letters familiar to them. As you continue to read these transliterations used directly from Hebrew, it will show how much distortion was caused by the Greek and Latin we've inherited. The expanded glossary explains many details that will enrich everyone's comprehension. For example, the Greek Pharaoh is rendered Farah as it appears phonetically if taken directly from the Hebrew into the English. The Greek and Latin distortions are eliminated as much as possible. For those who have never considered how encumbered they were before by words, this translation uses plain English for describing the original Hebrew ideas; instead of firmament, or expanse, it uses the word space. The order of the books is another feature, enabling the reader to flow from one book into the other. certain words they encounter, and most books have the meaning of the book beside their title. This book and its companion volume are an enormous leap forward in comprehending the Mind of our Creator, ending the famine of the Words of Yahuah so His Word can go forth into the world with understanding of His purpose. This book will challenge the experienced student of Scripture, and pour clean Living Water into the fresh minds of new seekers. Look for both volumes by searching BYNV at Amazon books. The Kindle eBook for the BYNV includes Barashith through Revelation.

**Love** Lew White,2019-10-25 LOVE - Introduction To The BYNV provides a peek at the preview pages of the Besorah Of Yahusha Natsarim Version (BYNV) translation by Lew White. A reader of any English translation should be aware of what has been left out their favorite versions, and millions never realized the Name of the Creator was removed by most of them. The traditions handed-down to us over many generations have greatly influenced how translators have approached the Scripture of Truth. William Tyndale was a translator who used congregation instead of church and was burned at the stake for it. This is a bold, new approach that uses the Hebrew transliterations of names and places, and corrects misunderstood phrases, and all is explained in this book. The introductory pages of the BYNV, as well as the Glossary, will help a reader see how much of Yahuah's viewpoint has been cluster-blocked by gentile translators. This book is written from the perspective that obedience is expressed in the practices one lives by. This book is loaded with questions that pastors hope they are never confronted by. Those who read about the excuses for the things people do will experience a paradigm shift, and they will never want to go back to the vomit they once lived by.

**Reapers** Lew White, 2016-11-22 Reapers is a Scripture-based study about the coming of the Seraphim on the Day of Yahuah. The scariest day in all of human history is about to arrive. Messengers with unprecedented abilities will be unleashed, and they will protect those who are sealed from being harmed. The burning ones - seraphim - will first remove the weeds, then gather the elect for the wedding supper of the Lamb. The Day of Yahuah is explained by Scripture so everyone can understand the importance of repenting before the trap closes on them. The pre-Tribulation Rapture teaching is widely believed by those on the broad road, but they are misled by its false promises. The Scriptural seal of those who belong to Yahusha will be the most important feature the seraphim will look for. Everyone needs to prepare now, because the day will come as a surprise, and in the wink of an eye.

*Message of the Natsarim* Lew White, 2017-07-20 Message Of The Natsarim is a new English translation of the letters written by the first followers of Yahusha. It gives the reader a sense of being among the eye witnesses who lived their lives learning from the only perfect person that ever lived on Earth. They taught and obeyed the Ten Commandments, but this idea has been strongly resisted since the time of Constantine. New traditions were adopted from paganism, and those patterns are expressed openly instead of the original Words to live by, the Ten Commandments. Love has grown cold without them. The clarity of the Message is alarmingly eye-opening, and once you have received it you will be completely awake. This is the red pill or the real thing people spend a lifetime pursuing. The Message has been called by several familiar religious terms such as Gospel, Evangel, Euangelion, and these are all based on the Hebrew word BESORAH. The most simple English word that fits the meaning is the word message. When get to hear the Message in English straight from the Hebrew source the writers

were inspired in, it will change you. The Message is not about religion, it is an announcement of a coming day called the Day of Yahuah. This Message is more urgent than anyone suspects, and it will be announced in spite of the institutions that unwittingly serve the restrainer. When your mind hears the Message, you will be changed, and have to share it with everyone around you. The Truth changes everything. Up to now, readers have been hearing mostly Greek terms. A messenger (Greek angel) bears a message (Greek euangelion), and now the reader can break through the barrier of understanding by restoring the Hebrew roots of the belief.

*The Lie* Lew White, 2018-03-21 The Lie is a book that holds important questions that will disturb those that may think they've found the Truth. In the search for Truth, we have to keep vigilant, and test the validity of everything we believe. The Scriptures of Truth begin by showing how easily we can be deceived, and the first lie ever recorded is documented for everyone in the first several chapters after Creation. A serpent told a lie about eating something the first humans were forbidden to even touch. Ever since, humanity has been on a death walk, with the Word of Yahuah ringing in their ears of how to live. If we believe His Word, we can recover. If we choose to not believe, we will die. Each of us will die or live by our own choice in the matter. The same lie is deceiving humanity today, and Scripture tells us it is being told by those who teach us. The questions in this book will change you forever. You will never be able to return to the way you've been led to believe, because everything you've ever been taught has been with the objective of making you believe you can disobey Yahuah, and still live. How the teachers have done this to everyone is explained, using the Scriptures of Truth. When you find the Truth, you can be set free from the lie. If you want to inherit eternal life, guard the Commandments, they will never pass away. The whole world has been deceived, and the Truth reveals how in the last days people will mount up a great number of teachers that will teach what their itching ears want to hear, and turn aside to myths. Where are those great numbers of teachers to be found? Find out by reading the questions in this little 96-page book. It will break your heart when you read them, because the Truth will be revealed to you, and you will awaken. Something is about to happen to everyone in this world, and that is why you are reading these words right at this moment. Someone is calling you to awaken. You may think you have known Him, but what's more important is that He knows you. If you hear the call of your Shepherd, run to Him! The time is nearer than anyone thinks it is. None of the wicked shall understand, but those who have insight shall understand . . . Dan. 12:10 Blind Guides are everywhere. Their weeds have grown thick and are steadfastly blocking-out the Light, choking the wheat. Reapers are coming, help blow the shofar.

**Torahzone** Lew White, 2016-11-24 This book asks the big questions. One of the biggest is this: What is Yahuah's will, and is it different depending on who you are, or what time period you live in? Should we walk as Yahusha did, or ignore that and just be as nice as we can? Can we believe Alahim is three, while Scripture contradicts it? Can we simply believe, and not practice anything we read in Scripture, and still claim to know Yahuah? Scripture tells us our teachers have misled us. It

explains how our translations came to omit the Name of Yahuah, and how the hierarchy embraced paganism while shunning the Torah. It will bring the reader to a clearer understanding of how we are to live, and that the Commandments are a lighted path showing us what their purpose is. This book is part of the restoration of all things abandoned by our forefathers, and will help bring about a revolution of love and service. The Word and Name of Yahuah are front and center in this book. For those who want to explore more deeply into these two things, this is the book for you!

**Fossilized Customs** Lew White,2016-11-21 Fossilized Customs is a research tool that shows the reader how our customs developed. Words and patterns we have inherited from the past reveal how many traditions originated from pagan sources. This book is the culmination of 32 years of research (1983 through 2015). Unveiling the beast as the reign of Babel allows the reader to finally put all the pieces of the puzzle together. Recommended for ages 18 and over.

**Who Is Allah?** Lew White,2017-07-04 Who Is Allah? answers the specific question, and logically explains what historians and comparative religion experts have hesitated to reveal. The circumambulation behavior, slogans, symbols, cultural practices, prayer mats, prayer beads, and other minutia such as turbans and cassocks point to a surprising origin even a simpleton would recognize. These similarities are reflected in Freemasonry, and other secretive networks and societies. The shrine at Makkah (Mecca) originally contained 360 deities, reflecting a close kinship with eastern cultures and the worship of the heavens.The practice of circumambulation, the crescent & star, the shape of the shrine, the black stone object and its relationship to the opening of metal at the corner are among many distinctive traits associated with the worship of the Hindu deity Shiva. This book investigates what the shrine was all about prior to Muhammad, and how much was carried-over into practices and ritual objects used today.

**Nimrod's Secret Identity** Lew White,2015-11-10 The first man to be worshipped as a mighty-one (GOD) was Nimrod. The World Order is a scheme to make everyone compliant to a Nimrod Matrix, or mode of conduct. If we are worshipping Yahuah, we are obeying His Commandments. If we are worshipping the Nimrod Matrix, we are working much harder: running into a steeple every week to pay someone to tell us we don't have to obey, baking birthday cakes, lighting candles and making wishes, boasting blessings with lifted beverages, carving pumpkins and dressing up for the witchfest, erecting trees in our homes pretending it's not about the Sun's birth, coloring eggs and eating chocolate rabbits, decorating the outside of our home with lights, pretending that an authority figure has power vested in them to pronounce us married (when

it was Yahuah alone Who joined us together in marriage), and so on. If you look through your family photos, they tend to involve occasions the Nimrod Matrix has obliged us to swarm. Stop swarming on the traditional occasions, and the family bonds are wounded severely. And He answering, said to them, Well did Yashayahu prophesy concerning you hypocrites, as it has been written, 'This people respect Me with their lips, but their heart is far from Me. And in vain do they worship Me, teaching as teachings the commands of men.' Forsaking the Command of Alahim, you hold fast the tradition of men. And He said to them, Well do you set aside the command of Alahim, in order to guard your tradition. - Mark 7:6-9 With Yahusha's words in mind, what traditions have come to replace the Commands of Yahuah? Christmas; Easter; Sunday; Halloween (feast of dead saints); sacraments; steeples; bells; crosses; eating unclean animals; apostolic succession; celibacy; veneration of human remains, images; holy water; indulgences; trinitarian ideas; prayer beads; prohibition of true Name, Yahuah, Yahusha; prayers to the dead (necromancy); infant baptism; and much more. Men have set aside the Commands of Yahuah for their traditions.
