This is the eBook version of the original, artist-approved edition. Contents: - Another Day of Sun - Someone in the Crowd - Mia & Sebastian's Theme - A Lovely Night - City of Stars - Planetarium - Start a Fire - Engagement Party - Audition (The Fools Who Dream) - Epilogue

**Early Broadway Sheet Music** Donald J. Stubblebine,2015-06-08 This work, a companion to the author's Broadway Sheet Music: A Comprehensive Listing of Published Music from Broadway and Other Stage Shows, 1918 through 1993 (McFarland 1996), provides information about all sheet music published (1843-1918) from all Broadway productions--plus music from local shows, minstrel shows, night club acts, vaudeville acts, touring companies, and shows on the road that never made it to Broadway--and all the major musicals from Chicago.

**The Jan & Dean Record** Mark A. Moore,2016-03-03 Jan & Dean were among the most successful artists of the late 1950s through the mid-1960s, with hits including Baby Talk, Surf City, Dead Man's Curve and The Little Old Lady (From Pasadena). Slapstick humor and offbeat personas were a big part of their shtick, but Jan Berry was serious when it came to the studio. This book chronicles Jan's career as a songwriter and arranger--and his tenure as producer for Jan & Dean and other acts--with day-by-day entries detailing recording sessions, single and album releases, concerts and appearances, film and television projects, behind-the-scenes business and legal matters, chart positions and more. Extensive commentary from Berry's family, friends and colleagues is included. Studio invoices, contract details, tape box notes, copyright information and other particulars shed light on how music was made in the Hollywood studio system of the 1960s.

*Radio Stars* Thomas A. DeLong,2024-10-14 From the time Westinghouse started commercial broadcasting in 1920 through the end of the radio soap operas in the early 1960s, hundreds of men and women performed on radio. Day after day, week after week, these performers (e.g., Jack Benny, Bing Crosby, Kate Smith, Lowell Thomas, Kay Kyser, and Bob Hope) became familiar voices and welcomed guests in the homes of millions of Americans. Actors, comedians, singers,

commentators, announcers, emcees, newscasters, preachers and various other artists all gave voice to radio and 953 of them are covered in this unique reference work. Performers Fran Allison, Les Paul, Johnny Desmond, Alec Templeton, Don Wilson, Jerry Colonna and soap opera favorites Virginia Payne, Betty Garde, Macdonald Carey, David Gothard, Page Gilman, and Jan Miner are included herein, as well as Ezra Stone, Groucho Marx, Will Rogers, Frank Sinatra and hundreds more. For each, there is a listing of radio programs, birth and death dates (where appropriate) and a biography that focuses on work in radio. Heavily illustrated.

**Suggs and the City** Suggs,2009-09-17 Revelling in the off-beat and eccentric, Londoner Suggs takes us on a nostalgic adventure to explore the disappearing history of his extraordinary home town: from the sharp tailors of Saville Row to the sex traders of Bohemian Soho, by way of quaint and quirky habitats, brilliant but endangered boozers, unique eateries that have introduced the capital to the world's finest foods and a music scene that's dear to his heart.

**Jazz Style in Kansas City and the Southwest** Ross Russell,1983-01-01 From the twenties through the forties, Kansas City was the jazz city. Lester Young, Jack Teagarden, Count Basie, Ben Webster, Charlie Christian, Mary Lou Williams, and Charlie Parker are just a few of the jazz luminaries discussed in *Jazz Style in Kansas City and the Southwest*, the essential account of the evolution of the Kansas City style from its ragtime roots to the birth of bebop. Book jacket.

**Music in Edwardian London** Simon McVeigh,2024 Traversing London's musical culture, this book boldly illuminates the emergence of Edwardian London as a beacon of musical innovation. The dawning of a new century saw London emerge as a hub in a fast-developing global music industry, mirroring Britain's pivotal position between the continent, the Americas and the British Empire. It was a period of expansion, experiment and entrepreneurial energy. Rather than conservative and inward-looking, London was invigorated by new ideas, from pioneering musical comedy and revue to the modernist departures of Debussy and Stravinsky. Meanwhile, Elgar, Holst, Vaughan Williams, and a host of ambitious younger composers sought to reposition British music in a rapidly evolving soundscape. Music was central to society at every level. Just as opulent theatres proliferated in the West End, concert life was revitalised by new symphony orchestras, by the Queen's Hall promenade concerts, and by Sunday concerts at the vast Albert Hall. Through innumerable band and gramophone concerts in the parks, music from Wagner to Irving Berlin became available as never before. The book envisions a burgeoning urban culture through a series of snapshots - daily musical life in all its messy diversity. While tackling themes

of cosmopolitanism and nationalism, high and low brows, centres and peripheries, it evokes contemporary voices and characterful individuals to illuminate the period. Challenging issues include the barriers faced by women and people of colour, and attitudes inhibiting the new generation of British composers - not to mention embedded imperialist ideologies reflecting London's precarious position at the centre of Empire. Engagingly written, Simon McVeigh's groundbreaking book reveals the exhilarating transformation of music in Edwardian London, which laid the foundations for the century to come.

**Encyclopedia of Great Popular Song Recordings** Steve Sullivan,2013-10-04 From John Philip Sousa to Green Day, from Scott Joplin to Kanye West, from Stephen Foster to Coldplay, The Encyclopedia of Great Popular Song Recordings, Volumes 1 and 2 covers the vast scope of its subject with virtually unprecedented breadth and depth. Approximately 1,000 key song recordings from 1889 to the present are explored in full, unveiling the stories behind the songs, the recordings, the performers, and the songwriters. Beginning the journey in the era of Victorian parlor balladry, brass bands, and ragtime with the advent of the record industry, readers witness the birth of the blues and the dawn of jazz in the 1910s and the emergence of country music on record and the shift from acoustic to electrical recording in the 1920s. The odyssey continues through the Swing Era of the 1930s; rhythm & blues, bluegrass, and bebop in the 1940s; the rock & roll revolution of the 1950s; modern soul, the British invasion, and the folk-rock movement of the 1960s; and finally into the modern era through the musical streams of disco, punk, grunge, hip-hop, and contemporary dance-pop. Sullivan, however, also takes critical detours by extending the coverage to genres neglected in pop music histories, from ethnic and world music, the gospel recording of both black and white artists, and lesser-known traditional folk tunes that reach back hundreds of years. This book is ideal for anyone who truly loves popular music in all of its glorious variety, and anyone wishing to learn more about the roots of virtually all the music we hear today. Popular music fans, as well as scholars of recording history and technology and students of the intersections between music and cultural history will all find this book to be informative and interesting.

**The Musical Monitor** ,1916

**Gentleman Troubadours and Andean Pop Stars** Joshua Tucker,2013-04-19 Exploring Peru's lively music industry and the studio producers, radio DJs, and program directors that drive it, Gentleman Troubadours and Andean Pop Stars is a fascinating account of the deliberate development of artistic taste. Focusing on popular huayno music and the ways it has been promoted to Peru's emerging middle class, Joshua Tucker tells a complex story of identity making and the marketing forces entangled with it, providing crucial insights into the dynamics among art, class, and ethnicity that reach far beyond the Andes. Tucker focuses on the music of Ayacucho, Peru, examining how media workers and intellectuals there

transformed the city's huayno music into the country's most popular style. By marketing contemporary huayno against its traditional counterpart, these agents, Tucker argues, have paradoxically reinforced ethnic hierarchies at the same time that they have challenged them. Navigating between a burgeoning Andean bourgeoisie and a music industry eager to sell them symbols of newfound sophistication, Gentleman Troubadours and Andean Pop Stars is a deep account of the real people behind cultural change.
