*no ... nor VS no ... or - English Language Learners Stack Exchange* Sep 14, 2021 · @WenfangDu The links that you provided, and the links within those links, sanction the use of nor on its own, or nor following not, or nor following never, but I don't see anything relating to the use of no with nor. *What is the difference between "Which of the following" and ...* In the first sentence, the following is used as a noun. EDIT: However, the most accepted use of below is as an adverb. (Up until today, I thought that it could function as an adjective, please see the comments below). So in order for the second sentence to be grammatically correct, you would need to say, Which of the sentences below is correct? With the grammatical change, there is no ... *word usage - using "next" to days of the week - English Language ...* Apr 13, 2017 · This question reminded me of a debate I have with non-native English speakers. If today is Thursday and I say that something is to happen "next Saturday", does that mean the "Saturday in two days... **How to say "on page x and the following pages"?** "Page 42 and the following pages" sounds correct. This could be shortened to "page 42 and following pages" (since you aren't specifying the exact number of following pages, it's some following pages, so the null article works), or perhaps even to "page 42 and following" (without the, it doesn't look like a noun is missing any more). *Next year. Vs in next year - English Language Learners Stack ...* Depending on context, "I'll see you next year." usually would mean the early part of the year and is more habitual, whereas "in the next year" can mean any time within 365 days and would probably mean later in the year or possibly even the following year than just "next year". **word choice - "As following" vs "as follows" - English Language ...** Which of the following sentences is more appropriate?
