Jared Savage

Armed Candy Reg McKay, 2005 Kay has spent her whole life trying to escape. Sexually abused by her grandmother, she pleaded to return to her mother's care. But instead of finding a safe haven, Kay entered a world of drug abuse, swinging and dabbling in the occult. Although still a small child, she was soon buying drugs for her mother and being moved out of her bed as orgies ensued in her home. When she tried to escape, she ended up in a violent marriage, from which she fled in fear of her life. Turning to her mother for help, she was tricked into prostitution, her own mother acting much like a pimp. Kay became a high-class call girl, but then, through a chance meeting, she got involved with the most dangerous criminal gang in Glasgow. Women associated with such gangs are often seen as decorative arm candy, but Kay was admitted to the inner core, where she became involved in making decisions of life and death. She fell in love with the gang's equaliser, a young man feared throughout the country, and together they formed a formidable partnership. But they were too successful, and when they appeared to threaten some powerful interests they had to be taken out. The day that Kay's lover was gunned down in broad daylight saw the beginning of a reign of death in the city, as the organised crime world became paranoid and turned in on itself. For Kay, it was the beginning of her way out.

One Chance Terroll Lewis, 2021-01-21 It'd be easy for me to go back to my old life, but I know where that old life leads you. You're either behind prison bars or six feet underground. Terroll Lewis has lived a crazy life. Growing up on Brixton's Myatt's Field estate, he was surrounded by gang culture, and like so many other young people, he found it hard to resist the lifestyle. By the time he was 15, he had already joined a gang, been stabbed, shot at, and was selling drugs. A chance to play professional football offered a way out, but the lure of an easier life — the promise of girls, money, and cars — led him back to South London and the notorious OC, or Organised Crime, gang. Violence and drug dealing were the norm in OC, but Terroll has long since turned his back on this world, though the association with OC endures through the ink on his skin. These days Terroll's giving something back; Block Workout, a street-gym he founded in his old neighbourhood, gives young men an opportunity to follow a different road to the one he took during his adolescence — helping them develop their minds as well as their bodies — and the chance to live a better life.

Gangster's Paradise Jared Savage, 2023 The much anticipated follow-up to the bestseller that exposed the escalation of organised crime in New Zealand. *Gangster's Paradise* is about drugs, guns, gangs and money. Lots of money. A gang which

took over a small rural town. A police officer shot and killed in a routine traffic stop. A port-worker who helped a gang whisk a shipping container off a wharf in the middle of the night. A crew of corrupt baggage handlers smuggling meth into the country during Covid lockdowns. A shooting inside a 5-star hotel in broad daylight. Turf wars, retaliation, and retribution: new gangs like the Mongols and Comancheros have brought with them better connections with international syndicates, challenging the established gangs like the Head Hunters - so dominant for many years - who have had to up their game in response. Jared Savage's bestselling book *Gangland* was about the evolution of gangs in New Zealand. *Gangster's Paradise* is about the deadly escalation.

Last Man Standing Jay Pring, 2020-04-17 The shocking and brutal life and crimes of one of Australia's most notorious and feared underworld kingpins, Graham 'Abo' Henry. From his violent childhood and rise through the ranks of Sydney's most dangerous men, to his involvement in a Royal Commission into Police Corruption that would bring down a government, this is his compelling and terrifying true story. Angry, belligerent, dangerous beyond compare, Graham Henry built a criminal gang and empire that swept aside all gangs before them in the notorious gang wars of the 1980s and 1990s. From the biggest armed robberies the city had ever known, to the targets drug deals, Henry and his organised crime gang ruled over all, protected by a litany of corrupt and greedy police, politicians and judges. But with millions rolling in, petty jealousies, and perceived slights would see his criminal juggernaut unravel from within, ending in a bloody fight for survival that would tear the underworld apart, and leave it forever changed.
