Make Google your default search engine - Google Search Help To get results from Google each time you search, you can make Google your default search engine. Set Google as your default on your browser If your browser isn't listed below, check its help resource **Change the phone number on your account & how it's used** Change the phone number on your account & how it's used You can add, update, or remove phone numbers on your Google Account. Phone numbers are used for different reasons, and you have controls to manage how your numbers are used. [Change your display language on Google](#) Change your display language on Google You can set your preferred language for buttons and other display text that appears in Google Search. Tip: This doesn't change the language of your search results. Learn how Google determines the language of search results. [How do I change my default email account? - Google Help](#) How do I change my default email account? - Google Account Community Help Center Community Improve your Google Account Google Account Privacy Policy Terms of Service Community Policy Community Overview Enable Dark Mode This help content & information General Help Center experience **Make Chrome your default browser - Computer - Google Help** At the top, next to "Make Google Chrome your default browser," click To make sure the change applied to the correct file types, review the list below the "Set default" button. To easily open Chrome later, add a shortcut to your taskbar: **how to change my default account - Google Account Community** In the web interface, whatever account you sign into FIRST is the "default" account for other Google products and services. So if you want to change, sign out of everything and then sign into the new default account first before adding any others. **Change your Gmail language settings** Change the language in Gmail Open Gmail. In the top right, click Settings . Click See all settings. In the "Language" section, pick a language from the drop-down menu. At the bottom of the page, click Save Changes. Type in another language Important: You can use input tools to type in languages like Hindi, Arabic, or Chinese. **Change or add a recovery address - Google Help** Change or add a recovery address The recovery address allows you to receive an e-mail to reset your password if you need it. Your recovery address should be an email address that you use regularly. To change it: **How can I change the region/country on my gmail account?** How can I change the region/country on my gmail account? tried to play on my switch but not working, I need to change the country. *Change Messages notifications & settings - Google Messages* Change bubble notification settings You can keep conversations accessible with bubble notifications. When you pin bubbles to your home screen, you can get messages from

contacts in fewer steps. Dismiss a notification: Touch and hold the bubble, then drag it ...
