Migrating Histories of Art Maria Teresa Costa, Hans Christian Hönes, 2018-12-03 Art historians have been facing the challenge - even from before the advent of globalization - of writing for an international audience and translating their own work into a foreign language - whether forced by exile, voluntary migration, or simply in order to reach wider audiences. *Migrating Histories of Art* aims to study the biographical and academic impact of these self-translations, and how the adoption and processing of foreign-language texts and their corresponding methodologies have been fundamental to the disciplinary discourse of art history. While often creating distinctly multifaceted personal biographies and establishing an international disciplinary discourse, self-translation also fosters the creation of instances of linguistic and methodological hegemony.

The Icicles R.W. Clinger, 2017-12-02 Meet the Icicles: unpredictable, exciting, comedic, and festive. When Jonah Icicle decides to spend Christmas with his family and introduces his new boyfriend Sandy, everyone reacts differently. His mother Pam is combative, always judgmental to a fault, obnoxious, and loud. Jonah's sister Willa adores the new man in her brother's life and feels he will be a key player in their close unit. Willa's husband Bobo suffers from hypersexuality and unfortunately can't keep his hands off Sandy. And Jake, Jonah's brother and Pam's favorite son, is more interested in his marijuana than his relatives. As the snow flies and the electricity goes out, the Icicles fight, hug, and laugh. Can they welcome the holiday spirit - and Sandy -- into their lives?

Class Dismissed Meredith Maran, 2000-10-20 This gripping story - a year in the lives of three high school seniors and their school - takes us deep into the hearts and minds of American teenagers, and American society, today. The seniors of Berkeley High are the white, black, Latino, Asian, and multiracial children of judges and carpenters, software consultants and garbage collectors, housewives and housekeepers. Some are Harvard bound; others are illiterate. They are the Class of 2000, and through the lives of three of them *Class Dismissed* brings us inside the nation's most diverse high school - where we glimpse the future of the nation. Autumn was ten when her father abandoned her family; since then she's been helping her

mother raise her two little brothers and keep food on the table-while keeping her grades up so she can go to college. Her faith in God gives Autumn strength, but who will give her the money she needs when she's offered the opportunity of a lifetime? From the outside, Jordan's life looks perfect. He hangs out with the rich white kids; rows on the crew team, has a cool mom, applied early to an East Coast college. But Jordan's drug-addicted father died last year, leaving Jordan reeling with grief and anger that makes his life feel anything but perfect-and his future suddenly seem uncertain. A third-generation Berkeley High student, Keith is bright and popular, a talented football player who hopes to play college ball and one day, go pro. But Keith has a reading problem that threatens his NFL dream. And the Berkeley police have a problem with Keith that threatens his very freedom. Looking into the lives of these young people, in this American town, at this time in history, we see more than what's true---and what's possible--for Berkeley High. We see what's true and what's possible for America.

Dancing Barefoot Dave Thompson,2011 The full story of Patti Smith, widely acknowledged as one of the most significant American artists of the rock 'n' roll era, a performer whose audience and appeal reach far beyond the parameters of rock. An acclaimed poet, a respected artist, and a figurehead for many liberal political causes, Patti Smith soared from an ugly-duckling childhood in postwar New Jersey to become queen of the New York arts scene in the 1970s. This book traces the brilliant trajectory of her career, including the fifteen reclusive years she spent in Detroit in the 1980s and '90s, as well as her triumphant return to New York. But it is primarily the story of a performer growing up in New York City in the early and mid-1970s. Guided by interviews with those who have known her--including Ivan Kral, Tom Verlaine, Richard Lloyd, John Cale, and Jim Carroll--it relies most of all on Patti's own words. This is Patti's story, told as she might have seen it, had she been on the outside looking in.--From publisher description.

It's Not Easy Being Bad Cynthia Voigt,2013-03-12 Now that they're in seventh grade, Mikey and Margalo decide it's time to be popular—or at least, time to be less unpopular. The trouble is, typical, normal kids are what work in junior high, and if there's one thing Mikey and Margalo aren't, it's typical and normal. Mikey's first attempt to crack seventh grade society ends, predictably, in disaster, but, undaunted, the friends persevere. They've got the will, they've got the smarts, and most importantly, they've got each other. What chance does junior high have against the Bad Girls?
