QUT, Griffith, or UQ for Mechanical Engineering? : r/UQreddit Jul 14, 2023 · Imo the whole QUT for the real world is just marketing bullshit. Yeah you learn theory at UQ but you're doing an engineering degree so it's important. Being useful/ready for industry and learning theory are not mutually exclusive otherwise what is the point in going to uni? QUT vs UQ - r/UQreddit Oct 31, 2023 · Qut is slightly easier bc UQ shoves a bit more theory at you, leaving you to access its better networks to progress your career in the direction you see fit. On the social aspect it really depends how much effort you put into it. Finding friends in classes might be harder at UQ bc theres a lot of people (esp in engg) that are solely there for ...

**Which degree is better? (QUT vs. UQ) : r/AustralianTeachers** Sep 18, 2022 · I started a different degree at UQ before switching to QUT for education and overall I like QUT better, all assignments are due at 11:59pm unlike UQ with their random times, and the 48 hour automatically approved extension on all assignments is pretty neat. Kelvin grove campus is easier to get to by public transport as well. PSA: Email Logins : r/QUTreddit Oct 7, 2014 · Outlook Same goes for most other Email clients. If you use the normal Add Email Account method, put in your @connect.qut.edu email address, with your Access Password. When prompted with the little Windows Signon Box, put in the n12345678@qut.edu.au email and your access password. You might have to do this twice before it works. *Graduates / Current students of QUT, on a scale of 1 to 10 how* Aug 18, 2022 · Graduates / Current students of QUT, on a scale of 1 to 10 how much would you rate it? why? and would you recommend your school to foreign students? Serious and honest replies pls. Thanks!! Edit: sry for the lack of clarity for the question, I am an international student who is looking to study in either business, Technology or CS. *Is UQ engineering harder than QUT? - Reddit* UQ is much harder and more knowledge/textbook based whereas QUT is more hands on with assignments. I've studied Engineering at both Universities and preferred QUT because it was easier (I prefer assignments over exams).

**QUT vs UQ - r/QUTreddit** Oct 31, 2023 · I'm trying to decide between the University of Queensland (UQ) and the Queensland University of Technology (QUT) for my Software Engineering degree, and I'm looking at factors like education quality, support services, and the social scene. When it comes to education, I've heard that UQ is renowned for its strong academic programs, and QUT has a ...

**Failed a unit, need info going forward - Reddit** Dec 24, 2019 · Chill its not the end of the world, first make sure theres no way you can pass or get it stripped from your record, any family reason etc. for the failure. Do anything asap to get it removed from your transcript. After trying that and most likely not getting it

removed (still worth a try) look up the course code and see when its offered, I'd suggest trying to do it as a summer ... **IT at QUT - r/QUTreddit** Mar 29, 2023 · It varies between subjects, some lecturers know how to teach, some just talk at you from power point slides and expect you to absorb the knowledge, some barely speak English and it's hard to follow along. The best subjects I found are the ones with 2 or 3 knowledgeable tutors and a good professor leading. These also usually have the best learning materials ... QUT Master of Nursing (Entry to Practice) : r/QUTreddit Feb 1, 2024 · The clinical classes are good and the staff are wonderful. I've had an amazing experience with the QUT School of Nursing. There was a lot of international students in my classes last year including internationally trained RNs who need to do an Aussie course to practice here. This is both a blessing and a curse depending on who you get.
