The Case to Impeach and Imprison Joe Biden Mike McCormick, 2023-12-19 The Case to Impeach and Imprison Joe Biden is author Mike McCormick's eyewitness account from six years as Joe Biden's White House stenographer, traveling with him to Ukraine and Honduras and many other countries. During this assignment, he found the vice president buffoonish and unpresidential. McCormick, who made national news in April 2023 by revealing he submitted evidence to the FBI that would impeach Joe Biden, confirms that he was interviewed extensively about his knowledge of Biden's corruption and evil by investigators from the House Oversight Committee and the Senate Homeland Security Governmental Affairs Committee. McCormick ultimately recognized the crimes that then-Vice President Biden perpetrated in his dealings with Ukraine and Honduras only after receiving a verified copy of the Hunter Biden Laptop. By cross-referencing materials in the Hunter Biden Laptop with President Obama's White House website and congressional testimony by Joe's co-conspirators, plus his own recollections, McCormick weaves a devastating timeline that pinpoints Joe Biden as the mastermind of a kickback scheme with Burisma Holdings that enriched him and Hunter Biden. Also detailed in this book is Joe Biden's treasonous Alliance for Prosperity, which funded cartel-affiliated cocaine smugglers in the Honduran government who were then under investigation by the DEA with hundreds of millions of US taxpayer dollars. McCormick courageously identifies US government officials who assisted Joe Biden in his evil schemes, including then president Barack Obama. And McCormick names the journalists who continue to cover for the Obama-Biden corruption. Despite all the evidence, he has not yet been asked to testify under oath about what he saw. That's why he's written this book.

The Biden Crime Family Rudy Giuliani, 2024-10-29 The Biden Crime Family is a short, engaging description of the evidence that supports the case that President Joe Biden and his family are deeply corrupt. They are so corrupt that when former New York mayor and US attorney Rudy Giuliani first stumbled across evidence of what they were doing in Ukraine, it reminded him of his experience prosecuting the five mafia families that used to run New York. Joe Biden began to seek enormous bribes and payouts when he became vice president. In every situation where he was the point man for the Obama administration's policy toward a country, he ended up making millions of dollars, and failing to obtain whatever the US policy goal was. In these endeavors, Joe's drug addicted younger son, Hunter, worked with him. Hunter was the "bagman." You can question whether it was loving or even decent for a politician to use his dysfunctional son in this matter. But it happened.

Joe's brother James also served as a bagman, sometimes working with Hunter. Other family members participated as needed. When Joe was made the point man for Ukraine—with the special mission of cleaning up Ukrainian corruption so deep that it had left the country almost bankrupt—he did nothing to help. Instead, he had Hunter placed on the board of Burisma, an energy and gas company at the center of some of Ukraine's most corrupt government dealings. Hunter took home a million a year to do nothing. The rule was “ten percent for the big guy.” Hunter has complained about how half his income went to dad. The same and worse happened with Joe in China and Iraq. The Biden Crime Family displays the evidence clearly—and makes the kind of case that should get a conviction on Biden family corruption.

Breaking Biden Alex Marlow, 2023-10-03 INSTANT NEW YORK TIMES BESTSELLER The New York Times bestselling author of the “must-read” (Sean Hannity) *Breaking the News* and editor-in-chief of Breitbart News Network returns with this timely and eye-opening deep dive investigation into the 46th president. Over his 50-year career in Washington, Joe Biden has become known for his wild dishonesty, embarrassing policy failings, and an absolute lack of accountability, culminating in his predictably unpopular presidency. But what has not yet been revealed is the vast web of consultants, bureaucrats, corporate titans, foreign interests, and various extended family members (it's not just Hunter!) who have achieved unfathomable wealth and power while keeping Biden in charge. Now, Alex Marlow reports the findings of a shocking, in-depth investigation into the individuals and entities behind the devastating decisions that have empowered the global elite at the expense of the American public. With his signature “prescient” (Tucker Carlson) writing, Marlow unearths new details such as: EXPOSED: The secret cadre of consultants running Joe Biden's Washington. EXPLAINED: How Joe Biden sold America's intellectual property to communist China. UNCOVERED: The unreported and audacious reason the underwhelming, under-qualified, and unpopular Kamala Harris was chosen to be vice president. REVEALED: All the ways the Bidens' bag cash off of the family name.

Confessions of a Conspiracy Theorist R. P. Rooster, 2024-06-05 Hollywood actor by day—conspiracy theorist by night. After twelve years of hiding in the shadows of online forums and going down rabbit holes of the taboo, author Luke Jackson steps into the light. *Confessions of a Conspiracy Theorist* is a tell-all chronicle of transformation from a normie chasing a dream of Hollywood stardom to a full-blown conspiracy theorist stepping away from pursuit of the limelight and into a world of mystery. This confessional takes the skeptical reader on the journey of fringe information that completely altered Jackson's worldview starting with his very first red pill: 9/11. As Jackson weaves through conspiracies, he leads the reader on a trail of shocking information; connecting each breadcrumb of evidence culminates in a dark and illuminating revelation. *Confessions of a Conspiracy* shifts the reader into a new paradigm of understanding and helps make sense of the seemingly senseless world of 2024. This heartfelt contribution to the Truther movement is dedicated to all the missing children victimized by human trafficking. For we are opposed around the world by a monolithic and ruthless conspiracy. —John F Kennedy

An Almost Insurmountable Evil Mike McCormick, 2025-02-11 Questioning Pope Francis? You are not alone. Catholics around the world are puzzled by a pope who has defiled the Church of Jesus Christ with his overt politics. Questioning Joe Biden? You are not alone. His toxic presidency and destructive relationship with Barack Obama ended in an old man's whimper. Or was there more to it? Mike McCormick answers your questions with the truth: An almost insurmountable evil was done by an illegitimate pope, an unclean cardinal, a compromised president, his criminal vice president, and their win-at-all-cost operatives. Based on McCormick's experience as Joe Biden's White House Press Office stenographer, this eyewitness account details the globalist plots perpetrated by Cardinal Theodore McCarrick, Pope Francis, the CIA, President Barack Obama, Vice President Joe Biden, Hunter Biden, Denis McDonough, Anthony Fauci, and many others. McCormick reveals how the Obama-Biden White House networked the Catholic Church into human trafficking along the Southern Border; how it schemed Ukraine into becoming a biological warfare threat to Russia; and how it collaborated with China to release the Wuhan Pandemic to upend President Trump's 2020 campaign. In this point-by-point dissection of Obama-Biden Deep State overreach, and of what Archbishop Vigano refers to as the Deep Church, and of what Robert F. Kennedy, Jr. refers to as Deep Health, readers will understand the betrayal, death, economic destruction, and emotional damage perpetrated on them by their governments, the Catholic Church, and the globalist elites they serve.

Russia and Ukraine. Nothing is as it seems Cinzia Palmacci, 2024-03-20 I wanted to title this book "Russia and Ukraine. Nothing is as it seems because of this crisis which involves two Eastern European territories so much tormented and threatened, you will never have a clear and truthful picture, especially by the mainstream media. In truth, in addition to the "official narrative" and compliant with the single thought to which the mainstream has always accustomed us, it is there something in the history of these two territories involved in the crisis that escapes even to large networks. The key to everything is the story. Few know that current Ukraine was the ancient kingdom of Khazaria, because the history of the people Kazaro was deliberately erased from the news so that it would not appear in any history textbook. And there's a reason. From the Khazar people descends the Zionism which, even from a genetic point of view, has nothing to do with lineage Jewish native of Palestine. The Zionists have become the "rulers of the world" through methods that are questionable to say the least. They are the masters of finance world, and political and media power belongs to them pharmaceutical and military. Zionists are the architects of the most unbridled globalism of which the Great Reset or Great Reset is the most hateful expression and controversial. They are behind the most repressive and cruel ideologies in history: communism, Bolshevism, Nazism etc... But in this historical context increasingly tumultuous world a part of the global axis of power has become through the diabolical plan implemented by the Zionists and cherished for centuries. The hatred of the West that orbits and serves American interests has identified an enemy: Russia.

Breaking the Law Alex Marlow, 2025-08-05 Alex Marlow, editor-in-chief of Breitbart News and two-time New York Times bestselling author of the “must-read” (Peter Schweizer, #1 New York Times bestselling author) *Breaking the News* and *Breaking Biden*, returns with his third book: an intensely-researched examination into the legal cases against President Trump that threaten not only the conservative movement, but the concept of “law and order” itself. Just as the political left uses the corporate media, academia, and the culture to advance their political agendas, they have found a new core American institution that they now exploit to expand their power: the legal system. Featuring Alex Marlow’s “prescient” (Tucker Carlson) insight, *Breaking the Law* effortlessly demonstrates how the American legal system has been weaponized against President Donald Trump on purely political grounds. Marlow delves into the history and origins of “lawfare,” debunks the notion that the “rule of law” was ever sacred to the American political left, and describes the superstructure—the donors, activists, and entities—that have made the legal system one of the left’s most potent political weapons. Finally, he makes bold predictions on where lawfare is heading (yes, they really are coming for you) and offers ways to fight its expanse...before it’s too late.
