

Que Es Pcas Banco Santander

Jean-Baptiste Harguindéguy

Personal Current Account Banking Services in Northern Ireland Market Investigation Great Britain: Competition Commission, 2006-11-22 The Commission's report examines the market for personal current account (PCA) banking services in Northern Ireland, following on from a supercomplaint made by Which? and by General Consumer Council for Northern Ireland under the Enterprise Act 2002. This provisional report finds that banks have unduly complex charging structures and practices which are not sufficiently explained, and customers generally do not actively search for alternative PCAs or switch provider. It concludes that, despite significant changes in recent years, without effective remedial action the market as a whole will remain uncompetitive.

Análisis de políticas públicas Jean-Baptiste Harguindéguy, 2020-09-10 El análisis de políticas públicas es hoy en día una asignatura consolidada en España. Sin embargo, todavía faltaba un manual que recogiese la información disponible de forma didáctica y atractiva. Éste es el reto de la presente obra, pensada por y para la docencia y la investigación básica. En *Análisis de Políticas Públicas* el lector encontrará un repaso completo de los fundamentos clásicos de esta materia. En paralelo, tendrá acceso a los grandes debates teóricos contemporáneos que estructuran este ámbito. Finalmente, podrá disfrutar de una serie de ejercicios especialmente diseñados para poner en práctica los conocimientos adquiridos a través de casos prácticos, simulaciones y videojuegos serios. Este triple objetivo se fundamenta en una presentación clara, sin jerga y totalmente actualizada de la disciplina. En estas páginas se dedica un espacio a todos los que han aportado una piedra al edificio intelectual que es el estudio de la acción pública. Pensado como una plataforma de intercambio intelectual, este libro presenta los elementos más relevantes del estudio de la acción pública, por lo que es de gran utilidad tanto para el alumno como para el investigador novel y el simple ciudadano.
