They're Watching You Chelsea Ichaso, 2023-01-03 A dark boarding school thriller from the author of *Dead Girls Can't Tell Secrets* and *The Summer She Went Missing*! When a secret society has you in their sights, it can lead to power, privilege... or death. It's been two weeks since Polly St. James went missing. The police, the headmistress of Torrey-Wells Academy, and even her parents have ruled her a runaway. But not Maren, her best friend and roommate. She knows Polly had a secret that she was about to share with Maren before she disappeared— something to do with the elite, ultra-rich crowd at Torrey-Wells. Then Maren finds an envelope hidden among Polly's things: an invitation to the Gamemaster's Society. Do not tell anyone, it says. Maren is certain her classmates in the Society know the truth about what happened to Polly, though it's no easy feat to join. Once Maren's made it through the treacherous initiation, she discovers a world she never knew existed within her school, where Society members compete in high-stakes games for unheard-of rewards—Ivy League connections, privileges, favors. But Maren's been drawn into a different game: for every win, she'll receive a clue about Polly. And as Maren keeps winning, she begins to see just how powerful the Society's game is—bigger and deadlier than she ever imagined. They see, they know, they control. And they kill.

The Summer She Went Missing Chelsea Ichaso, 2024-03-05 Crackling and propulsive. —Publishers Weekly, starred review From the author of *Dead Girls Can't Tell Secrets* and *They're Watching You*, a compelling new thriller! Last summer, they searched for Audrey Covington. This summer, they'll search for the truth. Paige Redmond has always felt lucky to spend her summers in Clearwater Ridge, with lazy days sunning at the waterfalls and nights partying at the sprawling houses of the rich families who vacation there. The Covingtons are one of these families, and beautiful, brilliant Audrey Covington is Paige's best friend. And last year, when Audrey's crush-worthy brother Dylan finally started noticing Paige, she was sure it would be the best summer ever. Except Audrey didn't seem quite like herself. Then one night, she didn't come home. Though Audrey wasn't the first girl to disappear in Clearwater Ridge, she left behind more lies than clues. Now, one summer later, her case has gone cold, and nobody, least of all Paige, can make sense of what happened. When Paige stumbles across a secret hidden in Audrey's room, however, it changes everything she thought she knew about last summer. She and Dylan set out on their own investigation, discovering things even the police don't know about the people of Clearwater Ridge. But tracking down missing girls—girls who might be beyond saving by now—means entering a world far darker than Paige has

ever imagined. And if she isn't careful, she'll become the next girl to vanish.

We Were Warned Chelsea Ichaso, 2025-03-04 Everyone knows the legend of Fairport Village: twenty-five years ago, a shocking murder closed the place down. This year, the ruins will be bulldozed at last. But tonight, it's not too late to die. All her life, Eden Stafford has heard the lore about the abandoned beach resort at the edge of town: ever since the notorious murder there, anyone who sets foot on the property is cursed to die. It's more than just a story: over the years, two high school students who dared to explore the ruins of Fairport Village were killed there. Eden is no stranger to notoriety, having endured a family scandal that's made her a target at school. So when she reluctantly attends an overnight party at the ruins, she's on edge—not because of some legend, but because the clique that has made her life hell for years is there, too, including Caleb Durham, the worst of them all. Yet out of all the things Eden expected to happen that night, finding another student dead at Fairport Village wasn't one of them. Though the death is ruled an accident, Eden knows she saw something suspicious at the ruins—and Caleb and her other longtime tormentors did too. Now they're all being followed by a deadly stranger, and to save themselves, they must work together to uncover the truth about Fairport Village. But after all that's happened, can Eden really trust Caleb and his friends? Or will they leave her to face a killer alone?

So I Lied Chelsea Ichaso, 2025-01-28 In this foreboding journey into the depths of friendship, three women spend a trip together covering up the secrets between them—but when one lie unravels, there's no going back. Jocelyn is ready to get married—and more ready to have fun. She plans a bachelorette trip to North Wales, where she can forget about her strained relationship and focus on the tension among friends instead. It's a welcome distraction. Her friend Rowan used to be the wild child. But after having a kid of her own and losing the father in a tragic accident, she's now the ever-responsible single mother, cautious in every way. Except one. Cadence doesn't want to be there. For as long as she's known her friends, she's always felt disparate. Maybe it's because those two share a special bond: Jocelyn's brother was Rowan's boyfriend, and they still feel his loss. Or maybe it's because Cadence has secrets they can never know. As the trip goes on, their friendship begins to crack under the pressure of all the things they leave unsaid...but those might be the only things that can save them.

Dead Girls Can't Tell Secrets Chelsea Ichaso, 2022-04-05 Piper's fall was no accident. Did someone want her dead? It's up to her sister to discover the truth in this shocking new thriller with an unreliable narrator, from the acclaimed author of *Little Creeping Things*. Piper Sullivan was in a strange hiking accident last month and has been in a coma ever since. Her older sister, Savannah, can't pretend to be optimistic about it; things look bad. Piper will likely never wake up, and Savannah will never get any answers about what exactly happened. But then Savannah finds a note in Piper's locker, inviting Piper to a meeting of their school's wilderness club...at the very place and on the very day that she fell. Which means there was a chance that Piper wasn't alone. Someone might've seen something. Worse, someone might've done something. But who would want to hurt the perfect Piper Sullivan...and why? To discover the truth, Savannah joins the club on their weekend-

long camping trip on the same mountain where her sister fell. But she better be careful; everyone in the club is a suspect, and everyone seems to be keeping secrets about that tragic day. And Savannah? She's been keeping secrets, too...
