El Derecho de Sociedades dominicano en perspectiva con el interés social y sus efectos en el animus

societatis Juan Francisco Adolfo Puello Herrera,2024-03-06 En esta obra se presenta un panorama bastante extenso sobre el Derecho de Sociedades en la República Dominicana, tratando con especial atención la actualidad del animus societatis como requisito del contrato de sociedad y su sustitución por el interés social, llevando a la consideración el aspecto jurídico problemático que permita justificar intuitivamente su elaboración, que arranca, por una parte, de la forma como está estructurado el Derecho Societario, visto no como un conjunto de normas independientes entre sí, sino que conforma un campo normativo en que cada una de sus partes guarda estrecha relación con las restantes. En ese orden, se presenta el interés social como una vía que posibilita que un sentimiento como la affectio societatis se haga patente en la relación contractual que se desprende del contrato de sociedad, asumiendo que a través de ese interés social la voluntad expresada en el momento de la constitución de la sociedad le dé sentido a la calidad de asociado.

Routledge Handbook of Corporate Law Roman Tomasic,2016-11-10 The Routledge Handbook of Corporate Law provides an accessible overview of current research in the field, from an international and comparative perspective. In recent years there has been an explosion of corporate law research, as this area of law continues to develop rapidly throughout the world. Traditionally, Anglo-American corporate law theory has dominated debates and publications; however, this handbook readdresses the balance by exploring the treatment of corporate law in both Europe and Asia, as well developments in the US and UK. Bringing together a wide range of key thinkers in the field, this volume is divided into three main parts: Thinking about corporate law Corporate law principles and governance Some cross-cultural comparisons Providing up-to-date and authoritative articles covering all the key aspects of corporate law, this reference work is essential reading for advanced students, scholars and practitioners in the field.

La parte general del derecho civil después de la Ley 26.994 Beatriz Escudero,2020-06-26 Segundo volumen de la

obra de Beatriz Escudero, quien con precisión y rigor desarrolla el tratamiento de la Parte General del Derecho Civil, que adquiere fundamental importancia en virtud de la entrada en vigor del Código Civil y Comercial de la Nación Argentina. El libro se considera fundamental para estudiantes de Derecho y siempre de utilidad para profesionales de dicha especialidad.

Las sociedades de la IV Sección de la Ley General de Sociedades Orquera, Juan Pablo, Arecha, Tomás, Marturano, Sebastián J., D'Alessandro, Fernando G., Pérez Catón, Álvaro, Mirande, Javier, Filippi, Laura, Jure Ramos, Solange, Abdala, Martín E., Moeremans, Daniel E., Juárez, María Laura, Puliafito, Gladys, Achaes Di Orio, Federico, Reggiardo, Sergio, Barreiro, Marcelo G., Baila, Cecilia M., 2023-01-01 El fenómeno de las sociedades “informales” pervive en el tráfico con una difusión que supera a todos los demás tipos contemplados en la Ley General de Sociedades. Los hechos han demostrado que todos los esfuerzos del legislador por perseguir y sancionar a los participantes de las hoy conocidas como “atípicas” han sido infructuosos y que en los anales jurisprudenciales se puede encontrar “entre líneas” una cultura de irregularidad tácitamente consentida. Se constituyen en parte activa y pasiva de las relaciones jurídicas. Por ello recibimos con satisfacción y algunos reparos la modificación de la Sección IV de la mencionada Ley General de Sociedades. Nuestra aprobación tiene las objeciones que el lector encontrará a lo largo de los capítulos y, también, a cada cuestionamiento procuramos dar una respuesta, a sabiendas de que no hay jurista, ni legislador que pueda prever todas las soluciones, porque el intercambio tiene variantes impredecibles. La estructura resultante de la modificación del año 2015 consolida la concepción contractualista y de organización plurilateral, que reordena la responsabilidad de los integrantes y el tratamiento de los bienes registrables adquiridos por el ente, lo que nos lleva a tener una mirada simultánea y multilateral del instituto; nos propusimos brindar una perspectiva actualizada y lo más amplia posible.

Piercing the Corporate Veil in Latin American Jurisprudence Jose Maria Lezcano, 2015-12-14 This book is a comparative law study exploring the piercing of the corporate veil in Latin America within the context of the Anglo-American method. The piercing of the corporate veil is a remedy applied, in exceptional circumstances, to prevent and punish an inappropriate use of the corporate personality. The application of this remedy and the issues it involves has been widely researched in Anglo-American jurisdictions and, until recently, little attention has been given to this subject in Latin America. This region has been through internal political conflicts that undermined economic development. However, rise of democratic governments has created the political stability necessary for investment and economic development meaning that the corporate personality is now more commonly used in Latin America. Consequently, corporate personality issues have become a subject of study in this region. Drawing on case studies from Mexico, Colombia, Brazil and Argentina, Piercing the Corporate Veil in Latin American Jurisprudence examines the ingenuity of Latin American jurisdictions to deal with corporate personality issues and compares this method with the Anglo-American framework. Focusing in particular on the influence of two key factors- legal tradition and the uniqueness of each legal system- the author highlights both similarities and

differences in the way in which the piercing of the corporate veil is applied in Latin American and Anglo-American jurisdictions. This book will be of great interest to scholars of company and comparative law, and business studies in general.

La inoponibilidad de la personalidad jurídica de las sociedades comerciales y el derecho del trabajador Elkin Santos Aracena, 2015

Derecho Económico Empresarial Daniel R. Zuccherino, María Marta Simone, 2021-11-12 La presente obra tiene como objetivo presentar de modo didáctico y actualizado los aspectos relevantes del Derecho Económico Empresarial (Parte General), teniendo en cuenta la sanción del Código Civil y Comercial de la Nación, Ley 26.994 y otras recientes modificaciones legislativas. Los destinatarios de nuestro trabajo son tanto los estudiantes como todos aquellos que quieran acceder al conocimiento de la materia, luego de las transformaciones operadas y que hemos mencionado.

Metáforas de sentencias judiciales de Estados Unidos trasladadas a la doctrina y la jurisprudencia de la Argentina Marisa Alejandra Nowiczewski, 2023-09-19 Una de las críticas más recurrentes al discurso jurídico español se refiere a su oscuridad e impenetrabilidad. En particular, el uso de la metáfora, entre otras figuras del lenguaje, representa uno de los factores que contribuyen a que el discurso jurídico resulte incomprensible aun para aquellos familiarizados con el mundo del derecho. Esto se debe a que, en muchos casos, se adoptan figuras o ideas propias del derecho estadounidense mediante procedimientos de trasvase, como la traducción literal, que cuando se aplican como misma y única estrategia de traducción conducen a un fracaso comunicacional entre el emisor experto y sus receptores, ya sean legos o miembros de la comunidad jurídica. En relación con la traducción al español de metáforas de sentencias judiciales de EE.UU. que se emplean en la jurisprudencia y la doctrina de la Argentina, consideramos que la reproducción de la misma imagen en la lengua meta (Newmark, 1988) o traducción literal es el procedimiento más utilizado para traducir las metáforas del inglés al español. Es de destacar que no existen trabajos de investigación, en la Argentina o en otro país hispanohablante, cuyo objetivo sea el estudio de este procedimiento de traducción en particular aplicado a la metáfora jurídica. En este trabajo de tesis analizamos las metáforas mencionadas a partir del enfoque lingüístico-cognitivo propuesto por Lakoff y Johnson (1980), abordamos su traducción al español y aportamos evidencia empírica que permite corroborar nuestra hipótesis. Compilamos un corpus de veinte metáforas presentes en sentencias de tribunales de EE.UU. y de textos de jurisprudencia y de doctrina de Argentina que incluyen esas metáforas. Se proce al análisis contrastivo de las metáforas en los textos de partida y sus traducciones en los textos de llegada mediante un modelo que parte de una aproximación translation-oriented (Nord, 1991a) y del examen de los factores extratextuales e intratextuales que propone la autora (1991a) y que han abordado las teorías de análisis del discurso. One of the most frequent criticisms leveled at legal discourse in Spanish is that it is obscure and impenetrable in nature. The use of metaphor, among other figures of speech, is a major contributing factor in making legal discourse incomprehensible even to those familiar with the world of law. The reason for this is that in many cases, legal devices or

concepts of American Law are adopted by means of translation methods such as literal translation which, when systematically applied as the only strategy, usually lead to communication failures between expert source text producers and target text receivers, whether laymen or legal professionals. In this thesis, we argue that reproducing the same image in the target language (Newmark, 1988) or literal translation is the most widespread method to translate, from English into Spanish, metaphors in U.S. court opinions that are employed in Argentine court decisions and scholarly texts. It should be noted that previous work, whether from Argentina or other Spanish-speaking countries, has failed to address this method in particular as applied to the translation of legal metaphors. In this study, we analyze the metaphors mentioned above using the cognitive-linguistic approach to metaphor launched by Lakoff & Johnson (1980), discuss their translation into Spanish, and provide empirical evidence to support our claim. We assembled a corpus of twenty metaphors in U.S. court opinions, and of Argentine court decisions and scholarly texts including those metaphors. Using the corpus, we compare the metaphors in the source texts and their translations in the target texts by using a model that is based on (i) a translation-oriented text analysis (Nord, 1991a), and (ii) the assessment of intratextual and extratextual factors proposed by Nord (1991a) and and extratextual factors proposed by Nord (1991a) and addressed by discourse analysis theories.

Groups of Companies Rafael Mariano Manóvil, 2020-03-16 This book presents a comprehensive study on how twenty-three countries have approached the issue of company groups. In addition to detailed profiles of each country's legislation, written by some of the most respected experts in the field, the book also presents a general overview and offers readers an in-depth, up-to-date and highly practical comparative analysis of the company group phenomenon in connection with national legal regimes. As such, the book is a must-read for all those seeking a deeper understanding of how company groups are viewed and regulated around the globe.

Manual de derecho privado. Tomo I Aída Kemelmajer de Carlucci, Mauricio Boretto, 2020-09-01 Explica con lenguaje técnico, pero sencillo, el sistema de Derecho Privado argentino, con el fin de que los destinatarios puedan: interpretar los textos jurídicos (en especial, el nuevo Código Civil y Comercial); comprender las principales reglas del sistema de Derecho privado argentino; enfrentar los problemas que, en el futuro, se les presenten en el ejercicio profesional; asumir la importancia entre Derecho y Economía. Cada tema teórico se desarrolla con numerosos ejemplos y se proponen ejercicios prácticos, en opciones múltiples, para que el estudiante pueda verificar, por sí solo, los progresos de aprendizaje.

La acción en inoponibilidad de la personalidad jurídica societaria en el régimen societario dominicano Noris Saoni Calderón Hernández, 2014

Derecho probatorio Marcelo Sebastián Midón, 2007

La legítima hereditaria Esteban Matías Gutiérrez Dalla Fontana, 2022-04-08 La legítima hereditaria es un medio de protección de la familia en un Estado Constitucional de Derecho; es una política de Estado que reglamenta razonable y

ajustadamente derechos reconocidos en la Constitución Nacional, como es el derecho de propiedad y su expresión la libertad de testar, constituyéndose en un objetivo de bien común. Desde antiguo ha sido una preocupación de las culturas y de los pueblos proteger a la familia, como célula nuclear de la sociedad. La enseñanza que brinda la historia de los pueblos demuestra la gravitación decisiva de la familia sobre la fuerza de una nación. Instituida por Vélez Sarsfield en el Código Civil que rigió desde 1871 hasta el 2015, perduró a lo largo del tiempo como un modo de conservar, tutelar y proteger el patrimonio familiar, con sustento en la solidaridad generacional e intergeneracional. La reforma del año 1968 reafirmó su continuidad, con algunas modificaciones. El legislador del Código Civil y Comercial mantuvo el sistema reduciendo las cuotas asignadas a descendientes y ascendientes, conservando la del cónyuge. La Ley 27.587 constituyó una mutilación del efecto reipersecutorio de la acción de reducción y se irguió en un ataque a la protección legitimaria de los herederos.

Anuario Iberoamericano de Derecho Administrativo (2022) Varios autores, 2023-01-01 En este segundo tomo del Anuario se trata la responsabilidad patrimonial del Estado y la Administración Pública, analizada en nueve ordenamientos (Argentina, Brasil, Colombia, Costa Rica, Cuba, México, Perú, República dominicana y Uruguay). Desde la frontera con Estados Unidos hasta el extremo sur del continente americano, alrededor de doce mil kilómetros de territorio jurídico en español. Los autores de los textos, brillantes administrativistas todos ellos, constituyen un plantel de excelentes cultivadores de esta disciplina, clave para la realización del universal del Estado de Derecho y control del poder. El estudio comparativo del Derecho administrativo no es un mero entretenimiento intelectual. Esta metodología deviene imprescindible en nuestro tiempo para calibrar el acierto y error de las diversas alternativas de diseño para las principales instituciones. Los análisis comparados de Derecho administrativo serán cada vez más importantes porque las justificaciones sobre lo que resulte más adecuado para cada garantía (procedimiento, control judicial, responsabilidad) pueden verse reforzadas o debilitadas gracias a la experiencia de países con similares niveles de desarrollo. La razón de ser del Derecho administrativo comparado es, por tanto, trasladar enseñanzas sobre mejores prácticas que podrían redundar en el perfeccionamiento de nuestras herramientas. © De esta edición, Agencia Estatal Boletín Oficial del Estado © De los textos, sus autores <https://cpage.mpr.gob.es> ISSN: 2792-8543 NIPO: 090-22-002-5 (edición en papel) 090-22-001-X (edición en línea, PDF) Depósito Legal: M-36844-2021

La teoría del levantamiento del velo corporativo en los grupos societarios Camilo Enrique Cubillos Garzón, 2016-09-22 Comprender cómo una teoría jurídica societaria afecta el desarrollo de un fenómeno económico es una tarea compleja, pero si además se considera que esta anomalía se inmiscuye en otro suceso mercantil, como es el de una situación patrimonial de hecho, el asunto aparece aún más confuso; comenzando de esta manera, y a partir de tales supuestos, es un deber concretar el marco en el cual se moverá esta investigación. Los partícipes de una economía perciben separadamente las políticas de crecimiento y los métodos de colaboración recíproca, los cuales pueden ser considerados por sistemas jurídicos y económicos

próximos, cuando no sinónimos, tal y como sucede con los regímenes español y colombiano.

Edición homenaje, 2005

Inoponibilidad De La Personalidad Jurdica Book Review: Unveiling the Power of Words

Inoponibilidad De La Personalidad Jurdica Introduction

In the digital age, access to information has become easier than ever before. The ability to download Inoponibilidad De La Personalidad Jurdica has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Inoponibilidad De La Personalidad Jurdica has opened up a world of possibilities. Downloading Inoponibilidad De La Personalidad Jurdica provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Inoponibilidad De La Personalidad

Jurdica has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Inoponibilidad De La Personalidad Jurdica. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Inoponibilidad De La Personalidad Jurdica. Some websites

may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Inoponibilidad De La Personalidad Jurdica, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Inoponibilidad De La Personalidad Jurdica has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers

worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Inoponibilidad De La Personalidad Jurdica Books

1. Where can I buy Inoponibilidad De La Personalidad Jurdica books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Inoponibilidad De La Personalidad Jurdica book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Inoponibilidad De La Personalidad Jurdica books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Inoponibilidad De La Personalidad Jurdica audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon.

- Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
 10. Can I read Inoponibilidad De La Personalidad Jurdica books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
