When her father announces he's dating someone and it's been getting serious, she's expected to be the perfect daughter and support her widowed father. Mia's life get's turned upside down when she's forced to live across the hall from the boy she's had a crush on since 1st grade. She reigns in her emotions but she doesn't know how long she will be able to survive the gossip running around school. Can Mia learn to live with her raging emotions or will she have to avoid him until graduation? Watch Mia struggle with break-ups, betrayal, love, and one night that changes everything.

Against the Wind Mike Mangan,2016-12-06 Never before or since has there been such an outlandish proposition—sail 10,500 miles and start a colony from scratch with just convicts. By 1835, about 90 per cent of Sydney's white population was either convicts, ex-convicts, the children of convicts, or those married to a convict. About 1,000 convicts (2.5 per cent of the population) fled inland and became bushrangers, and 4 per cent of the population was jailers. How does that place end up as the land of the 'fair go'? How does it become Australia? This is the story of how the Australian character developed through the prism of one family—the Lloyds. Across many generations, they slowly cast off the emotional and iron chains that bound them when they first stepped ashore at Circular Quay. It is the story of Australia.

Last Moment fabulousqueenangel, At the last chance, in the final moment, in the final chapter of the story of life, grief and suffering prevail, ever since everything was lost. In the end, comes regret. When the time has come to realize and know the truth, it's already too late to feel it. To feel the love that knows no bounds. In a person's life, there are many trials, many problems. But you can overcome them if you trust yourself and have faith in Him. Life's wheel keeps turning, round and

round, repeating, yet we continue to live, to love, and to be loved. There are times when certain things, memories, or whatever it may be, must be forgotten, must be erased from our minds because they bring pain when recalled, or evoke anger and guilt in life. Some are brought together by destiny, some are separated, but there are memories that cannot be erased for a lifetime. A past that should be revisited, remembered, and valued as long as it's in our minds. 'In the final moment of my life, I am with her. In the final moment, I held her. In the final moment, I saw her smile. And in the final moment, we will leave this world peacefully and together, heading to the afterlife. And in the next life, it will still be her and me, until the last moment of my life.' True love will never disappear, but if it's a lie, it will. In the name of love, anything can be done, no matter what. A love tested by fate, hindered by destiny, but fought for until the last moment of love. Inspired by the song 'Huling Sandali' by the band December Avenue, a story filled with love, liberation, appreciation, and sacrifice for family, friends, and the beloved. And a love that is fought for, even unto death. 'Love can sacrifice everything, true love never fades, unless it was a lie.' Huling Sandali.

Music Refuge Ailbhe Kenny, 2025 Forced migration has led to the creation of unique spaces where music is made, shared, and experienced. Charting over eight years of research, this book uncovers the musical lives of those seeking asylum and refuge in 'host' countries. In bridging migration studies and music education, this book moves away from victim narratives and instead offers an expanded understanding about the relationship between music, refuge, identity, belonging and, ultimately, hope.

Ageless Videh Videh Upadhyay, This book is a memoir on the life of Videh Upadhyay. In a short span of time, Videh created a lifetime of knowledge across the fields of Environmental Laws, Water Laws, Indian Judiciary, and Indian Constitution. This book incapsulates some of his important work & contains articles written by the legal luminaries and friends of Videh. On a personal level, Videh touched many lives, young and old. This book provides a platform for his admirers, friends, and family members to express their love and emotions, and revisit their memories. Through interesting anecdotes interspersed with memorable photographs the objective of this book is to relive old memories and importantly inspire youngsters to take a life journey of 'Simple living and high thinking', just like what Videh did. Happy Reading!

Journeys of Grief and Loss Dr. Maple Melder Crozier, 2022-02-09 Based completely on lived experience, this book shares the similar and different journeys that people have taken after the loss of a child, a life partner, or a parent. Every circumstance is unique, and has its own pain and joy. The history and cultures discussed show the variety of ways that death is dealt with globally, helping us to see past western styles of grieving. The art forms of music and books and poetry provide support for the sometimes roller-coaster journey of grief and loss.

Blue Ocean Faith Dave Schmelzer, 2017-02-28 People and churches across America are discovering that their secular friends and neighbors have been unknowingly waiting for the chance to experience the good God. Blue Ocean Faith is a network of churches that have seen thousands of secular people—from Harvard deans to public housing residents—connect with God. Blue Ocean founder Dave Schmelzer details six profound paradigm shifts that unlock a depth of connection to God that's new for many churchgoers and that's unprecedented for their secular neighbors. Embracing centered-set faith, becoming solus Jesus, and taking a third-way approach to LGBTQ congregants are among the game-changers that empower this rich life of faith. Rather than retreating from or drawing lines against our increasingly secular world, people of faith can join Jesus—as followers like Saint Francis of Assisi have done for millennia—in joyfully entering the world around them with profound wonder and an equally-profound offer of a life that really is life. “Blue Ocean Faith is a riveting book about an exciting new movement of churches emerging out of the ashes of American evangelicalism/fundamentalism. This could be a charter document for a new kind of Jesus movement. Everyone should read it,” writes David P. Gushee, Distinguished University Professor of Christian Ethics and Director of the Center for Theology and Public Life at Mercer University. With plenty of engaging storytelling, Schmelzer brings together ancient and cutting-edge insights in a book that might revitalize your experience of God, open up your connection to your neighbors and your city ... and maybe even kick off a new Jesus movement.

Calm in the Storm Susan Guttridge, 2020-01-31 Calm in the Storm offers simple techniques and profound concepts to help you develop fundamental skills in settling over-whelming emotion. There are moments in our lives when emotion comes on so strong and so fast that we feel out of control, completely over-whelmed, and emotionally flooded. It can be bewildering and frightening, often leaving us with a sense of powerlessness, even despair. When we haven't yet developed the ability to shift out of that emotional intensity, even the simplest tasks become harder. Life becomes harder. Emotional distress can feel painful, and the thoughts that so often accompany that distress can be confusing and debilitating. This book will help you deepen your ability to settle intense and overwhelming emotion. Through the use of simple strategies that can be

implemented anywhere, you will learn to recognize, observe, and shift your emotion. When we master strategies to healthfully soothe ourselves, to settle strong emotion, we build confidence. We start to feel stronger, more capable – in being with emotion and in life overall. This book will ignite hope and spark a renewed belief in your inner potential.

Betrayal Aqsa Amjad,2019-02-06 Not everyone can say that they've witnessed their mother's murder at age fifteen, never mind admit to killing their father. Forced into a crime she never wanted to commit, Alexis runs in fear of being caught. With the help of young Jack, she navigates her way through the forest before seeking refuge with her nasty stepmother. For three years, she is safe, but all good things come to an end. Alexis finds herself locked in a dark cell, all alone. Falling out with Jill, she is reunited with Jack, is stuck with Nick, and finds out her secret power. Love has become a game, and they are all playing to get who they want. Nick promises to help her escape from the clutches of his cruel father. Believing Nick can help her, she sticks with him, becoming closer—so close that by the time she realizes who he really is, it is too late. She's cursed, and Marcus claims he can help her. Alexis soon learns that there's a price for everything, even if she isn't in a state to pay it.

The Life Off Chakri,2018-08-20 As I had lost my friend at which she even don't like to see my face. Now I don't have dare to talk at her face. So I don't know how to tell her the reason for my voice that i had raised on her. Then I just had a thought that to ask her apologize in this form. And I'm hoping that she will accept my Sorry. And forgive me for last time. She is my Best Friend Forever. I thank to my parents for being with each and every step in my life. Either I'm failed or succeeded thanks for accepting me. You are the best people I would never leave. And dad please have a hope on this son. Sure he will make you to feel proud.

The Psychology of the Car Stefan Gossling,2017-06-16 The Psychology of the Car explores automotive cultures through the lens of psychology with the goal of achieving a low-carbon transport future. Worldwide there are now more than one billion cars, and their number grows continuously. Yet there is growing evidence that humanity needs to reach 'peak cars' as

increased air pollution, noise, accidents, and climate change support a decline in car usage. While many governments agree, the car remains attractive, and endeavors to change transport systems have faced fierce resistance. Based on insights from a wide range of transport behaviors, *The Psychology of the Car* shows the why of automotive cultures, providing new perspectives essential for understanding its attractiveness and for defining a more desirable transport future. *The Psychology of the Car* illustrates the growth of global car use over time and its effect on urban transport systems and the global environment. It looks at the adoption of the car into lifestyles, the mobilities turn, and how the car impacts collective and personal identities. The book examines car drivers themselves; their personalities, preferences, and personality disorders relevant to driving. The book looks at the role power, control, dominance, speed, and gender play, as well as the interrelationship between personal freedom and law enforcement. The book explores risk-taking behaviors as accidental death is a central element of car driving. The book addresses how interventions can be successful as well as which interventions are unlikely to work, and concludes with how a more sustainable transport future can be created based on emerging transport trends. - Features deep analyses of individual and collective psychologies of car affection, moving beyond sociology-based interpretations of automobile culture - Illustrates concepts using popular culture examples that expose ideas about automobility - Shows how fewer, smaller and more environmentally friendly cars, as well as low-carbon transport modes, are more socially attractive

Letters to and from an Innocent Man: How Lies and False Accusations Can Change a Man's Life Maria Moeller-Hackler, James Hackler III, 2019-10-04 *Letters to and from an Innocent Man* By: Maria Moeller-Hackler Jimmy and Maria were an average American couple living a simple life when an accusation of molestation changed their lives forever. Between May 2016 and May 2017, a bitter dispute between a former lover over parental rights resulted in an accusation of a years old case of molestation and a guilty conviction based on nothing more than false accusations and hearsay. Jimmy's past relationship with Kathy led to the birth of two daughters, although she also had a daughter from a previous relationship. The relationship was rocky from the beginning, marked with periods of strife, drinking, unemployment, and discontent. While the relationship was relatively short-lived, Jimmy continued to seek visitation with his two daughters. Jimmy's life, however, was instantly changed when Kathy's daughter accused him of molestation during the years they resided together. This story is about the events that followed and how Jimmy was tried and convicted in a corrupt court system that labeled him guilty with no evidence and little more than a young woman's claims, which likely came about as a result of Kathy's attempts to terminate Jimmy's parental rights to his daughters. This book brings to light the corruption of the courts and a system that doesn't seek to unearth the truth. It is a deeply personal account of Maria and Jimmy's fight against the courts, *Letters to and From an Innocent Man* includes personal—and often emotional and heartbreaking—letters between Maria and Jimmy as they seek to prove his innocence and set him free.

Bloody Sunshine And Deathly Starlight. Life is a Story - story.one Gloria Stella Neubert,2025-02-26 England, London in the year 2127 The Government, named The Order, fights a group of rebels who try to overthrow them. But why? Tara Winter, daughter of General Winter and leader of The Order, was raised in this system. She believes in it and she wants to help and protect the citizens as best as she can, no matter the costs, her moral code leading her through everything. Because in her mind, loyalty and doing the right thing are the most important things to exist. That is why she decides to become a The Order agent. But right after she finally is an agent and the thing that she supposedly wants most came true, a woman dies under mysterious circumstances. By coincidence, Tara finds out more. Why did that woman die and who killed her? Where will Taras moral compass lead her? What if her most important morals start to contradict each other? And is she really on the right side of a war between the Government and the people they were originally meant to serve?

Tragic misfortunes that usually occur silently in everyday America and the men and women who try to heal these heart-pounding predicaments are put reverently on stage in this heroic, honest, and compassionate compilation of true action adventures.

The Political Heist - Chapter One Eshwar Viswanath,2022-07-19 Adithya Kumaran, a business tycoon from Chennai, threatened the ruling party ministers to expose classified evidence that could cost their political careers. To save their

careers, the ministers decided to hire a professional thief, Veerarjunan (Veera), to steal the evidence from Adithya. The evidence was silently roaring in a highly customised locker inside Adithya's private jet. Veera, an experienced thief and skilled in martial arts, formed a team with a fellow thief, a techie and also a pilot who joined them in the series of events. Were Veera and his team able to break into the locker and pull off the heist successfully? Was the whistleblower silenced or did he blow up the political career of the ministers?
