

The Oxford Companion To The Bible

A Gutmann

The Oxford Companion to the Bible Bruce M. Metzger, Michael David Coogan, 1993-10-14 The Bible has had an immeasurable influence on Western culture, touching on virtually every aspect of our lives. It is one of the great wellsprings of Western religious, ethical, and philosophical traditions. It has been an endless source of inspiration to artists, from classic works such as Michaelangelo's Last Judgment, Handel's Messiah, or Milton's Paradise Lost, to modern works such as Thomas Mann's Joseph and His Brothers or Martin Scorsese's controversial Last Temptation of Christ. For countless generations, it has been a comfort in suffering, a place to reflect on the mysteries of birth, death, and immortality. Its stories and characters are an integral part of the repertoire of every educated adult, forming an enduring bond that spans thousands of years and embraces a vast community of believers and nonbelievers. The Oxford Companion to the Bible provides an authoritative one-volume reference to the people, places, events, books, institutions, religious belief, and secular influence of the Bible. Written by more than 250 scholars from some 20 nations and embracing a wide variety of perspectives, the Companion offers over seven hundred entries, ranging from brief identifications--who is Dives? where is Pishgah?--to extensive interpretive essays on topics such as the influence of the Bible on music or law. Ranging far beyond the scope of a traditional Bible dictionary, the Companion features, in addition to its many informative, factual entries, an abundance of interpretive essays. Here are extended entries on religious concepts from immortality, sin, and grace, to baptism, ethics, and the Holy Spirit. The contributors also explore biblical views of modern issues such as homosexuality, marriage, and anti-Semitism, and the impact of the Bible on the secular world (including a four-part article on the Bible's influence on literature). Of course, the Companion can also serve as a handy reference, the first place to turn to find factual information on the Bible. Readers will find fascinating, informative articles on all the books of the Bible--including the Apocrypha and many other ancient texts, such as the Dead Sea Scrolls, Pseudepigrapha, and the Mishnah. Virtually every figure who walked across the biblical stage is identified here, ranging from Rebekah, Rachel, and Mary, to Joseph, Barabbas, and Jesus. The Companion also offers entries that shed light on daily life in ancient Israel and the earliest Christian communities, with fascinating articles on feasts and festivals, clothing, medicine, units of time, houses, and furniture. Finally, there are twenty-eight pages of full-color maps, providing an accurate, detailed portrait of the biblical world. A vast compendium of information related to scriptures, here is an ideal complement to the Bible, an essential volume for every home and library, the first place to turn for information on

the central book of Western culture.

The Oxford Companion to the Bible Bruce M. Metzger, Michael David Coogan, Oxford University Press, 1993-09-11 The Bible has had an immeasurable influence on Western culture, touching on virtually every aspect of our lives. It is one of the great wellsprings of Western religious, ethical, and philosophical traditions. It has been an endless source of inspiration to artists, from classic works such as Michaelangelo's Last Judgment, Handel's Messiah, or Milton's Paradise Lost, to modern works such as Thomas Mann's Joseph and His Brothers or Martin Scorsese's controversial Last Temptation of Christ. A vast compendium of information related to scriptures, here is an ideal complement to the Bible, an essential volume for every home and library, the first place to turn for information on the central book of Western culture.

The Oxford Companion to the Bible Bruce Manning Metzger, 1993 This is one-volume reference to the people, places, events, books, institutions, religious beliefs, and secular influence of the Bible. Embracing a wide variety of perspectives, the multi-volume work offers over 700 entries, ranging from immortality and grace to ethics.

The Oxford Companion to Christian Thought Adrian Hastings, Alistair Mason, Hugh S. Pyper, 2000-12-21 Embracing the

viewpoints of Catholic, Protestant, or Orthodox thinkers, of conservatives, liberals, radicals, and agnostics, Christianity today is anything but monolithic or univocal. In *The Oxford Companion to Christian Thought*, general editor Adrian Hastings has tried to capture a sense of the great diversity of opinion that swirls about under the heading of Christian thought. Indeed, the 260 contributors, who hail from twenty countries, represent as wide a range of perspectives as possible. Here is a comprehensive and authoritative (though not dogmatic) overview of the full spectrum of Christian thinking. Within its 600 alphabetically arranged entries, readers will find lengthy survey articles on the history of Christian thought, on national and regional traditions, and on various denominations, from Anglican to Unitarian. There is ample coverage of Eastern thought as well, examining the Christian tradition in China, Japan, India, and Africa. The contributors examine major theological topics such as resurrection, the Eucharist, and grace as well as controversial issues such as homosexuality and abortion. In addition, short entries illuminate symbols such as water and wine, and there are many profiles of leading theologians, of non-Christians who have deeply influenced Christian thinking, including Aristotle and Plato, and of literary figures such as Dante, Milton, and Tolstoy. Most articles end with a list of suggested readings and the book features a large number of cross-references. *The Oxford Companion to Christian Thought* is an indispensable guide to one of the central strands of Western culture. An essential volume for all Christians, it is a thoughtful gift for the holidays.

The Psychology of the Bible Brian J. McVeigh, 2020-09-17 Fire and brimstone, bellowing prophets, and a good dose of old-fashioned sermonizing — these are the images the Bible brings to mind. But this assortment of sacred writings, in particular the Old Testament, is more than a collection of colorful allegories or miracles-and-morals mythology. Though written in the first millennium BCE, these holy writings are a nostalgic recounting of a lost 'super-religious' mentality that characterized the Bronze Age. *The Psychology of the Bible* explores how the Old Testament provides perspective into the tumultuous transition from an earlier mentality to a new paradigm of interiorized psychology and introspective religiosity that came to characterize the first millennium BCE. By examining the Old Testament's historical background and theopolitical context, utilizing linguistic analysis, and applying systems and communication theory, this book interprets biblical passages through a new lens. It analyzes divine voices, visions, and appearances of heavenly messengers — angel and prophets — as neurocultural phenomena and explains why they were so common. This book also answers why definitions of God changed so radically, illuminates the divinatory role of idols and other oracular aids (e.g. the Ark of the Covenant), provides a framework for appreciating why 'wisdom literature' became so significant, and clarifies the linkages among music, poetry, and inspiration.

Companion to the Old Testament Hywel Clifford, 2016-11-03 This book offers guidance and enrichment for first-time and experienced readers of the Old Testament.

The Oxford Encyclopedia of the Books of the Bible Michael D. Coogan, 2011-12-08 This is the first in this series of

specialised reference works, each addressing a specific subfield within biblical studies. Books of the Bible is in depth, with articles on all of the canonical books, major apocryphal books of the New and Old Testaments, important noncanonical texts and some thematic essays.

The Oxford Group and Alcohols Anonymous Dick B.,2011-09-18 Scholarly, comprehensive, unique A.A. was an integral part of the Oxford Group in the early 1930's, and this book contains the only study of the Oxford Group's contributions to early A.A.'s Big Book, Twelve Steps, and Fellowship. You will find here the Oxford Group's biblical roots, the origin of its ideas, details on its beliefs and practices, its influence on early AAs and their high success rate, and where its concepts can be found in today's A.A. phrases such as the Four Absolutes, the Five C.'s, guidance, surrender, checking, spiritual experience, spiritual awakening, conscious contact with God, restitution, amends, confession of faults, conversion, continuance, soul surgery, inventory, prayer, meditation, Quiet Time, Morning Watch, fellowship, witness, and others--seemingly-unknown in A.A. and recovery circles today--come to light as the very founding principles and practices which Bill W. said he had learned from his mentor, Rev. Sam Shoemaker, an American leader of the Oxford Group, close friend, and rector of Calvary Episcopal Church in New York. These were the principles and practices Bill codified into his title Alcohols Anonymous (affectionately known within A.A. As the Big Book), published on April 10, 1939. They were a departure from those of the original Akron A.A. Christian fellowship of 1935 and yet clearly were also grounded in the Bible and hence continued the beginning stress on the relationship of the Bible to A.A.

The Gospels W. R. Owens,2011-03-10 'Unto you is born this day in the city of David a Saviour, which is Christ the Lord. And this shall be a sign unto you; ye shall find the babe wrapped in swaddling clothes, lying in a manger.' Jesus Christ is the central figure in Western culture, and one of the most influential in all human history. Almost everything we know about him is contained in the four narratives of his life, death, and resurrection known as the Gospels of Matthew, Mark, Luke, and John. These form the first four books of the New Testament in the Bible, and are regarded by Christians as their most precious and sacred writings. The Gospels are presented here in the words of the Authorized Version, or King James Bible, first published in 1611. This is the most widely-read translation of the Bible ever made, famous for the beauty and power of its language. The spelling of the original has been modernized, and the text is laid out in paragraphs for ease of reading. The Introduction guides the reader through the four Gospels in turn, highlighting how each offers its own distinctive and memorable portrait of Jesus. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

Reading the Law J. G. McConville,Karl Möller,2007-11-15 The book is a Festschrift for Prof. Gordon Wenham. Its chosen

theme is intended to reflect his central interests in his long career of writing on the Old Testament, in which he has exemplified the highest standards of scholarship, but also written for practitioners of biblical interpretation. The topic of 'reading the law' has three aspects which will be treated by the various contributions, namely: 1. Reading the Pentateuch: Pentateuchal criticism, narrative readings, rhetorical-critical readings; 2. Reading the Law: the law codes in historical and/or literary context, anthropological readings, the law in relation to prophets, wisdom, worship; 3. Reading the Bible ethically: e.g. ethics of marriage, war. Contributors Prof. John Barton (Oxford University) Prof. Hugh Williamson (Oxford University) Prof. Ronald Clements (London University) Prof. Robert Gordon (Cambridge University) Prof. John Rogerson (Sheffield University) Prof. Raymond Westbrook (Johns Hopkins University) Prof. Alan Millard (Liverpool University) Dr. Walter Moberly (Durham University) Prof. Richard Hess (Denver Seminary) Prof. Nobuyoshi Kiuchi (Tokyo Christian University) Prof. Craig Bartholomew (Redeemer University College) Dr. Desmond Alexander (Queen's University, Belfast) Dr. Thomas Renz (Oak Hill College) Dr. Robin Parry (Paternoster Press) Dr. Pekka PitkSnen (University of Gloucestershire) Dr. Paul Barker (Holy Trinity Church, Doncaster, Victoria)

The Old Testament: A Very Short Introduction Michael Coogan, 2008-03-28 Eminent biblical scholar Michael D. Coogan offers here a wide-ranging and stimulating exploration of the Old Testament, illuminating its importance as history, literature, and sacred text. Coogan explains the differences between the Bible of Jewish tradition (the Hebrew Bible) and the Old Testament of Christianity, and also examines the different contents of the Bibles used by Roman Catholics, Eastern Orthodox Christians, and Protestants. He looks at the rise of modern biblical scholarship as well as the recovery of ancient Near Eastern literatures and their significance for biblical interpretation. Coogan explores the use of invented dialogue and historical fiction in the Old Testament, the presence of mythic elements in apparently historical accounts, and the relationship of ancient Israelite myths to those of their neighbors. The book considers the Old Testament's idea of divine justice, especially in Ecclesiastes and Job, and looks at notions of the afterlife in the ancient Near East and in ancient Israel. Coogan highlights the significance of the history and literature of the Old Testament and describes how non-biblical evidence, such as archaeological data and texts, has placed the Old Testament in a larger and more illuminating context. The book also discusses law and ritual in the Bible as well as the biblical understandings of prophecy. Here then is a marvelous overview of one of the great pillars of Western religion and culture, a book whose significance has endured for thousands of years and which remains vitally important today for Jews, Christians, and Muslims worldwide. About the Series: Oxford's Very Short Introductions offers concise and original introductions to a wide range of subjects--from Islam to Sociology, Politics to Classics, and Literary Theory to History. Not simply a textbook of definitions, each volume provides trenchant and provocative--yet always balanced and complete--discussions of the central issues in a given topic. Every Very Short Introduction gives a readable evolution of the subject in question, demonstrating how it has developed and influenced

society. Whatever the area of study, whatever the topic that fascinates the reader, the series has a handy and affordable guide that will likely prove indispensable.

Reading Faulkner: Collected Stories , For readers and critics, a guide to the Nobel Laureate's short stories

Psalms Stephen B. Dawes,2010 Many students are unfamiliar with the Old Testament and struggle to access it, with the exception of the Psalms, which are more familiar through their use in Christian worship and yet offer insights into the world of the Old Testament. This book introduces the readers to the Psalms and the mainstream scholarship on the Psalms.

Reference Sources for Small and Medium-sized Libraries, Eighth Edition Jack O'Gorman,2014-02-25 Focusing on new reference sources published since 2008 and reference titles that have retained their relevance, this new edition brings O'Gorman's complete and authoritative guide to the best reference sources for small and medium-sized academic and public libraries fully up to date. About 40 percent of the content is new to this edition. Containing sources selected and annotated by a team of public and academic librarians, the works included have been chosen for value and expertise in specific subject areas. Equally useful for both library patrons and staff, this resource Covers more than a dozen key subject areas, including General Reference; Philosophy, Religion, and Ethics; Psychology and Psychiatry; Social Sciences and Sociology; Business and Careers; Political Science and Law; Education; Words and Languages; Science and Technology; History; and Performing Arts Encompasses database products, CD-ROMs, websites, and other electronic resources in addition to print materials Includes thorough annotations for each source, with information on author/editor, publisher, cost, format, Dewey and LC classification numbers, and more Library patrons will find this an invaluable resource for current everyday topics. Librarians will appreciate it as both a reference and collection development tool, knowing it's backed by ALA's long tradition of excellence in reference selection.

The Books of the Old Testament in Your Palm Ayuba Mshelia,2022-11-30 The book is about introductions to the books of the Old Testament of the Bible, which is a compendium of God's divine Message to mankind that is uniquely written by forty divinely select people as His spokesmen. How many of these forty select men wrote the Tanakh or the Old Testament? This synopsis is a guide to the types of questions asked in writing this book. Who, for example, is the author of the Torah or the Pentateuch? Are all the books written by one person? Or are there others? What are the themes and purposes of each book? Does the difference in the arrangement and number of books between the original Hebrew Tanakh and our Old Testament make any difference to its being canon or faith? What are the books of the kingdoms? Why don't you see such titles in the Old Testament? What are the themes of some of the poetical books? For instance, why do good and righteous people suffer and the ungodly prosper? Does God care? How was the first ancient attempt of a holocaust foiled by Hadassah, also known as Esther, a beautiful Jewish orphan who became the queen of King Ahasuerus of Persia? What happened to the culprit? Why was the four-hundred-year period of the judges the most ungodly and apostate in Israel's

history. Why was the Davidic covenant threatened by Bathsheba's marriage and Absalom's insurrection? What is your take on Daniel's seventy weeks prophecy? (Dan. 9:24). What does the phrase seven weeks, and threescores and two weeks mean to you as used in Daniel's prophecy? What about A time, times, and a half (Dan. 12:7) appearing in Daniel's prophecy? What does Ezekiel's vision about the valley of the dry bones coming to life mean to Israel and to you as a believer? The Old Testament begins with the story of creation and life but ends in Malachi (4:6) with a divine threat of a curse. Are you free from that curse as an individual or still under it? These are the many compelling and poignant questions laboriously dealt with in the book.

African Americans and the Bible Vincent L. Wimbush, 2001-01-01 A unique study of how the Bible constructs African Americans and how African Americans construct the bible From literature and the arts to popular culture and everyday life, the Bible courses through black society and culture. Despite the enormous recent surge of interest in African American religion, scant attention has been paid to the diversity of ways in which African Americans have utilized the Bible. African Americans and the Bible is the fruit of a four-year collaborative research project directed by Vincent L. Wimbush and funded by the Lilly Endowment. It brings together scholars and experts (sixty-eight in all) from a wide range of academic and artistic fields and disciplines-including ethnography, cultural history, and biblical studies and also music, film, dance, drama, and literature. The book is less about the meaning(s) of the Bible than about the Bible and meaning(s), less about the world(s) of the Bible than about how worlds and the Bible interact-in short, about how a text constructs a people and a people construct a text. It is about a particular socio-cultural formation but also about the dynamics that occur in the interrelation between any group of people and sacred texts in general. African Americans and the Bible offers a critical lens through which the process of socio-cultural formation can be viewed.

The Africana Bible, Second Edition Hugh R. Page, Jr., Cheryl A. Kirk-Duggan, Valerie Bridgeman, Stacy Davis, Madipoane Masenya, Rodney S. Sadler, Jr., 2023-11-07 The second edition features an updated commentary on each book of the Hebrew Bible that is authoritative for African and African-diaspora communities worldwide. It highlights issues of the Black community (such as globalization and the colonial legacy) and the distinctive norms of interpretation in African and African-diaspora settings.

SCM Core Text: New Testament Richard Cooke, 2013-01-03 An undergraduate textbook for use on modules introducing the New Testament. It argues that the New Testament reflects four streams of apostolic tradition, reflected in the 4 gospels. It includes bibliographies at the end of each section to guide the reader to the most relevant areas for further research in any given subject area.

Evolution and Ethics Philip Clayton, Jeffrey Schloss, 2004-08-04 Certain to engage scholars, students, and general readers alike, Evolution and Ethics offers a balanced, levelheaded, constructive approach to an often divisive debate.

Library Collection Development for Professional Programs: Trends and Best Practices Holder, Sara, 2012-07-31
Collection development, the process used by librarians to choose items for a particular library or section of a library, can be time-consuming and difficult due to the many factors that must be taken into consideration. Library Collection Development for Professional Programs: Trends and Best Practices addresses the challenging task of collection development in modern academic libraries, which is largely learned on the job. This publication contains practical advice and innovative strategies essential for current collection development librarians and future librarians seeking guidance in this complex position.

Enjoying the Track of Phrase: An Emotional Symphony within **The Oxford Companion To The Bible**

In a world consumed by displays and the ceaseless chatter of fast connection, the melodic splendor and mental symphony created by the written term frequently fade in to the back ground, eclipsed by the relentless sound and disturbances that permeate our lives. But, nestled within the pages of **The Oxford Companion To The Bible** a charming fictional value overflowing with organic thoughts, lies an immersive symphony waiting to be embraced. Crafted by an outstanding musician of language, this charming masterpiece conducts viewers on an emotional journey, skillfully unraveling the hidden tunes and profound affect resonating within each cautiously crafted phrase. Within the depths of the poignant evaluation, we can investigate the book's main harmonies, analyze their enthralling publishing type, and surrender ourselves to the profound resonance that echoes in the depths of readers' souls.

The Oxford Companion To The Bible Introduction

In today's digital age, the availability of The Oxford Companion To The Bible books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Oxford Companion To The Bible books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Oxford Companion To The Bible books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Oxford Companion To The Bible versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Oxford Companion To The Bible books and manuals for download

are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Oxford Companion To The Bible books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Oxford Companion To The Bible books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital

copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Oxford Companion To The Bible books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Oxford Companion To The Bible books and manuals for download and embark on your journey of knowledge?

FAQs About The Oxford Companion To The Bible Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Oxford Companion To The Bible is one of the best book in our library for free trial. We provide copy of The Oxford Companion To The Bible in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Oxford Companion To The Bible. Where to download The Oxford Companion To The Bible online for free? Are you looking for The Oxford Companion To The Bible PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there

are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another The Oxford Companion To The Bible. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of The Oxford Companion To The Bible are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with The Oxford Companion To The Bible. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with The Oxford Companion To The Bible To get started finding The Oxford Companion To The Bible, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally

hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with The Oxford Companion To The Bible So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading The Oxford Companion To The Bible. Maybe you have knowledge that, people have search numerous times for their favorite readings like this The Oxford Companion To The Bible, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. The Oxford Companion To The Bible is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, The Oxford Companion To The Bible is universally compatible with any devices to read.
