**James R. Davila**

*The Book of Wisdom of Solomon* King Solomon, 2021-05-08 In this centuries old biblical text, Solomon tells of his search for wisdom. He addresses the rulers of the earth, urging them to love righteousness and seek wisdom. In it he explains that the wicked people believe that all is mere chance and that they should enjoy each day unconcerned, but they are deluded.

**Psalms of Solomon: Christian Apocrypha Series** King Solomon, 2020-01-10 Generally, when we hear the word psalm, we tend to think of the traditional 150 psalms that collectively comprise the Book of Psalms of the Old Testament. Of those 150 psalms, about half of them are traditionally attributed to David. But, King Solomon is also remembered for being a prolific writer, as the author of numerous biblical books: Proverbs, Ecclesiastes, Song of Songs, and Wisdom of Solomon, as well as this one. Presented here are King Solomon's lost 18 psalms that make up this apocryphal book, the Psalms of Solomon, just as they were first published in English, along with the original prologue and a brand new, lengthy introduction.

**The Oxford Handbook of the Apocrypha** Gerbern S. Oegema, 2021-05-11 The Oxford Handbook of the Apocrypha addresses the Old Testament Apocrypha, known to be important early Jewish texts that have become deuterocanonical for some Christian churches, non-canonical for other churches, and that are of lasting cultural significance. In addition to the place given to the classical literary, historical, and tradition-historical introductory questions, essays focus on the major social and theological themes of each individual book. With contributions from leading scholars from around the world, the Handbook acts as an authoritative reference work on the current state of Apocrypha research, and at the same time carves out future directions of study. This Handbook offers an overview of the various Apocrypha and relevant topics related to them by presenting updated research on each individual apocryphal text in historical context, from the late Persian and early Hellenistic periods to the early Roman era. The essays provided here examine the place of the Apocrypha in the context of Early Judaism, the relationship between the Apocrypha and texts that came to be canonized, the relationship between the Apocrypha and the Septuagint, Qumran, the Pseudepigrapha, and the New Testament, as well as their reception history in the Western world. Several chapters address overarching themes, such as genre and historicity, Jewish practices and beliefs, theology and ethics, gender and the role of women, and sexual ethics.

**Christian Origins and Hellenistic Judaism** Stanley E. Porter,Andrew Pitts,2012-10-23 In Christian Origins and Hellenistic Judaism, Stanley E. Porter and Andrew W. Pitts assemble an international team of scholars whose work has focused on reconstructing the social matrix for earliest Christianity through reference to Hellenistic Judaism and its literary forms. Each essay moves forward the current understanding of how primitive Christianity situated itself in relation to evolving Greco-Roman Jewish culture. Some essays focus on configuring the social context for the origins of the Jesus movement and beyond, while others assess the literary relation between early Christian and Hellenistic Jewish texts.

**The Provenance of the Pseudepigrapha** James R. Davila,2005 This book analyzes a substantial corpus of Old Testament pseudepigrapha, proposing a methodology for understanding them first in the social context of their earliest (Christian) manuscripts and inferring still earlier Jewish or other origins only as required by positive evidence.

**Christian Wicca** Nancy Chandler Pittman,2003-07 Christian Wicca: Oxymoron or the Best of Both World? Finally, a how-to guide for practicing Wicca, celebrating the return of the original Christian Trinity: the Father, the Mother, and the Holy Son Jesus. This book is written expressly for Wiccans who wish to walk the spiritual path of earth-based religions, but do not wish to surrender their Judeo-Christian background. Nancy now offers a simple solution to the rapidly emerging ChristoPagan community. Wicca, the Old Religion, or the religion of the wise, is the fastest growing form of spirituality in the United States. Many modern and eclectic Christians have no problem recognizing Jesus as Lord, but instead have a problem accepting the dogma of the organized church. Seekers are also feeling the absense of the Female aspect of the Divine and wish to re-establish the Goddess in their spirituality. In the wake of the discoveries of the Nag Hammadi Library, for the first time since 100-300 A.C.E. - the yin of the Christian faith is seeking to restore it's yang! Despite the overwhelming evidence that there is a Divine Mother --- no one has applied this information to Wicca and the Holy Days of the Wheel of the Year. Christian Wicca: the Trinitarian Tradition does this very task, outlining the Sabbats, the Esbats to include the Holy Trinity . . . also introducing observances expressly for Jesus, called Kyriats! Blessed Be!!

**Christian Basics Bible NLT** Martin H. Manser, Michael H. Beaumont, 2017-09-05 Finalist for the 2018 Christian Book Award for Bible of the Year. New to the Bible? Either because you have become a Christian recently, or because somehow the Bible seems to have passed you by? Then this edition is for you! Whether you are reading the Bible for the first time or not, its variety of material—not to mention its length—can seem overwhelming. The Christian Basics Bible is filled with features designed to help readers—especially those new to the Bible—connect biblical teachings to Christian beliefs and to see how those beliefs apply to their lives. By delivering the right amount of both information and application, The Christian Basics Bible can become the catalyst for living a vibrant Christian life.

**Systematic Theology** Wayne A. Grudem, 2009-05-18 The Christian church has a long tradition of systematic theology, that is, of studying biblical teaching on centrally important doctrines such as the Word of God, redemption, and Jesus Christ. Wayne Grudem's bestselling Systematic Theology has several distinctive features: A strong emphasis on the scriptural basis for each doctrine Clear writing, with technical terms kept to a minimum A contemporary approach, treating subjects of special interest to the church today A friendly tone, appealing to the emotions and the spirit as well as the intellect Frequent application to life Resources for worship within each chapter Bibliographies in each chapter that cross-reference subjects to a wide range of other systematic theologies.

**The Thiselton Companion to Christian Theology** Anthony C. Thiselton, 2015-02-06 Covering everything from Abba to Zwingli, The Thiselton Companion to Christian Theology offers a comprehensive account of a wide sweep of topics and thinkers in Christian theology. Written entirely by eminent scholar Anthony Thiselton, the book features a coherence lacking in most multiauthored volumes. Drawing on his encyclopedic knowledge, gained from fifty-plus years of study and teaching, Thiselton provides some six hundred articles on various aspects of theology throughout the centuries. The entries comprise both short descriptive surveys and longer essays of original assessment on central theological topics -- such as atonement, Christology, God, and Holy Spirit -- and on such theologians as Aquinas, Augustine, Barth, Calvin, Kng, Luther, Moltmann, and Pannenberg. The book also includes a helpful time chart dating all of the theologians discussed and highlighting key

events in Christian history; select reading suggestions conclude each of the longer entries. Equally valuable for research and teaching, *The Thiselton Companion to Christian Theology* will be a go-to reference for pastors, students, teachers, and theologians everywhere.

THE BOOK OF ENOCH UNVEILED Edward D. Andrews,2023-03-24 In *The Book of Enoch Unveiled*, the author delves into the enigmatic world of the apocryphal and pseudepigraphical text attributed to Enoch, offering a conservative, apologetic, and Evangelical perspective on its origins, content, and influence throughout history. With an investigative approach, this meticulously researched work dissects the myths and legends that have surrounded the Book of Enoch for centuries while shedding light on the reasons behind its exclusion from the Biblical canon. The author exposes the false attribution of authorship and explores the chronological impossibilities, anachronisms, and theological inconsistencies that permeate the text. Through a comprehensive examination of the Book of Enoch's content, including the stories of the Watchers, Nephilim, and Enoch's prophetic claims, the author demonstrates the divergence of the text from the essential tenets of Scripture. The work also delves into the influence of the Book of Enoch on the New Testament and early Christianity, as well as its persistence in modern times, exploring the Ethiopian Orthodox Church's canonization of the text and its revival in popular culture. *The Book of Enoch Unveiled* serves as a clarion call for believers to reaffirm their commitment to the inspired and inerrant Word of God, encouraging discernment and a deeper understanding of the Bible's authority. This thought-provoking work is an invaluable resource for those seeking to explore the complexities of apocryphal and pseudepigraphical literature while remaining firmly grounded in the truth of Scripture.
