*Honored Burden* Howard Calhoun,2021-05-03 The objective of the *Honored Burden* is to express the complexities, contradictions, tragedies, and triumphs of the American experience by telling it within the framework of poverty, race, class,

religion, and politics. This honored American's experience springs from one of America's most rural and backwoods outposts imagined. It includes experiences from an era of sharecropping and the late fringes of Jim Crow. It blends the best of America's intent with the worst of American impulses. My story and experience are one of many that are often untold and unknown but are no less American. My race has endured a unique burden, yet I am proud and honored to be an American. The government of the people and by the people is a humanity challenge. I am a participant and witness full of hope and confidence that America will meet its challenge. Honored Burden uses thought-provoking stories in an attempt to disclose any of those complexities, contradictions, tragedies, and triumphs that amount to that challenge. 2

**Heart of Eternity** K.G. Inglis, 2018-08-13 For more than eight hundred years, Saladin avoided forming an attachment to a woman. Sure, there has been a few in his life. In fact, the hinges on his revolving door are ready to self-combust. He's definitely no saint. Once the formidable leader of a great nation, he's feared and admired in the supernatural world. But not by Teagan, the one woman whose strength and defiance struck him with an instant attraction he can't deny. Two years has passed since he last saw Teagan, and his feelings for her haven't changed. Not that he expected otherwise. After all, she is his mate. Well, she would've been if circumstances had been different. Now cut off from her, his life has begun to spiral out of control. He can't feed, can't sleep, can barely function; even his sanity is questionable. Though determined to avoid Saladin, Teagan can't help the desire the infuriatingly sexy vampire stirs in her, plaguing her thoughts and dreams nightly. That doesn't mean she'll give into her contemptuous hormones. Saladin is dangerous, and a complication she doesn't need. Next in line to carry her family's curse, a relationship with the surly vamp would end in disappointment and death, specifically hers. Nope. She wants nothing to do with Saladin. That is, until her grandfather dies. Teagan not only gains her family's ancient power, but also she's now number 1 on Morganna's hit list. The evil sorceress is as determined to kill her as Saladin is to keep her safe. Staying alive long enough to free herself of her family's curse, save her sisters from the same fate, defeat Morganna, and find a way to be with Saladin is a juggle of responsibilities and temptations. With life, death, and eternity on the line, which way will the hammer of destiny fall?

*School Leadership in India* N. Mythili, 2024-08-28 This book explores how school leadership plays a significant role in addressing the issues of poor learning among students in India. It presents in-depth discussions on critical leadership practices that are influenced by the interaction between leadership styles, functions, behaviours and practices of school leaders using theoretical discourse. Besides, a conceptual framework is developed to understand the leadership phenomenon in the Indian context for the overall improvement of schools, student learning and self-development of leaders. While highlighting the issues and challenges faced by schools and school leaders, the book presents a number of vignettes created from the data on various aspects of school leadership practices indicating the styles, behaviours and functions in every chapter. The nature of the analysis is also unique to the discourse on educational leadership as it culminates in tracing the

path traversed by the school leaders. The analysis is thematically organised into purpose-process-outcome that spreads across seven chapters. Besides the rigour of vast data that substantiates the arguments using mixed methods, it also vividly discusses the national initiatives undertaken in India to transform instructional and pedagogical leadership of principals and improve students learning in the past one decade or so. The book will be of interest to researchers of education, leadership education and development and school education in university departments of education, management, public administration, development studies and sociology that use interdisciplinary approaches. It will also be useful for school educators, academicians, school leaders, policymakers and teacher educators not only for teaching and research but also for school leadership development for practitioners.

All Blacks Don't Cry John Kirwan, 2023-08-01 'I've been to hell and I'm back. If you're in that same place, then I understand what you're going through . . . Hang on to hope.' **Spring Break: A True Story of Hope and Determination** Steven Benvenisti,Steven Benvenisti Esq,2014-10-11 Imagine the worst event that could ever happen to you; something so horrific that death is a welcome alternative. That's exactly what happened to Ben, an all-American college student, athlete, homecoming king, president of the honors society, fraternity brother, all while having a great relationship with his girlfriend and family. Life could not have been better. Unfortunately, it all came to a screeching halt during his college spring break in Daytona Beach, when a drunk driver crashed into him while he was walking. As an attorney, Ben's case touched me like no other. It was so gruesome, so unthinkabley devastating, that to this day I still get chills just thinking about it. Yet, all who followed this case have agreed that this story has inspired and changed them forever. And so I'd made a promise that if I won, I would share the story of this powerful and inspiring case with the public in the hopes of ending drunk driving and D.U.I. Spring Break is a true story of inner strength and courage, which also provides a secret so precious that it not only saves lives, it guarantees success no matter what the challenge is.

**A Time for Healing** David E. Morgan PhD,2013-01-30 Today, in real families, only a very small portion of the population

comes from nurturing and supportive homes; most individuals have been products of dysfunctional families instead. In *A Time for Healing*, author Dr. David E. Morgan provides a study of a dysfunctional family and presents principles necessary for sustaining a healthy family unit. Through the interplay of the fictional, four-generation Gardner family, *A Time for Healing* illustrates some events that can cause a family to be dysfunctional, reveals the carnage left from the pain, and discusses how to eradicate it. The Gardners story shows how unhealthy family rules of behavior are passed down from parents to children and what a devastating effect this process has on families, relationships, organizational lives, and society. With ideas gleaned from more than forty years as an educator in the Chicago public schools, including both part-time and full time in higher education, Morgan shows how we can envision and create a better way forward and avoid the imperfections of family dysfunction in the future. *A Time for Healing* offers help for reclaiming the family by creating real, effective positive change. Cleaning up the family is about character, communication, forgiveness, healing, integrity, love, redemption, respect, understanding and the ownership of our acts.
