**Sheet Music of the Confederacy** Robert I. Curtis,2024-03-28 The creation of the Confederate States of America and the subsequent Civil War inspired composers, lyricists, and music publishers in Southern and border states, and even in foreign countries, to support the new nation. Confederate-imprint sheet music articulated and encouraged Confederate nationalism, honored soldiers and military leaders, comforted family and friends, and provided diversion from the hardships of war. This is the first comprehensive history of the sheet music of the Confederacy. It covers works published before the war in Southern states that seceded from the Union, and those published during the war in Union occupied capitals, border and Northern states, and foreign countries. It is also the first work to examine the contribution of postwar Confederate-themed sheet music to the South's response to its defeat, to the creation and fostering of Lost Cause themes, and to the promotion of national reunion and reconciliation.

A Midwinter Night's Magic Ellie Thomas,2021-12-22 In late 18th century England, when Matthew Lewis accidentally accepts an invitation to a festive country house party, he vows to stay only as long as is polite. However, not only is there a heavy snowfall to detain him but also, the guests are expected to take part in a recital of A Midsummer Night's Dream on Christmas Day. If amateur theatricals are not enough to contend with, the unexpected presence of his former lover Crispin Marley is sent to try Matthew's frayed patience. The pair has had no contact since Crispin abandoned him with no explanation four years previously. Matthew is determined to feel nothing but enmity towards his lost love. But the influence of the play can change everything. Can Puck sprinkle a little fairy magic to bring this warring couple back together?

**Presidential Sheet Music** Danny O. Crew,2001-01-01 Political historians have traditionally interpreted the people and events of each presidential era by studying books, periodicals, letters, diaries and speeches. One source of printed material that has not received much scholarly attention is published music, much of which has been all but lost in the archives of libraries and museums. These two volumes of Presidential Sheet Music present an exhaustive listing of presidential-related music in all printed forms, with information on each piece.
